## Senior Class History

When we enrolled our freshman year, 1952-53, we had nine members in our class. They were as follows: June Ewing, Joyce Case, Betty Williams, Lowell Shortt, Gene Applegate, Johnny Morgan, Jack Westfall, Max Morrison, and Gerald Gardner. Our class officers consisted of the following: Lowell Shortt-president, Gene Applegate-vice president, Johnny Morgan-reporter and Betty Williams-treasurer.

Our queen and prince charming were Joyce Case and Lowell Shortt.

Then came our sophomore year. We were sorry to find we had lost four of our class members. Joyce Case moved to Ozark. Gerald Gardner dropped out also Jack Westfall. Then we were joined by Max Morrison. Our class officers were Lowell Shortt-president, Gene Applegate-vice president, June Ewing-reporter and Betty Williams treasurer.

Our class queen and prince charming were June Ewing and Gene Applegate.

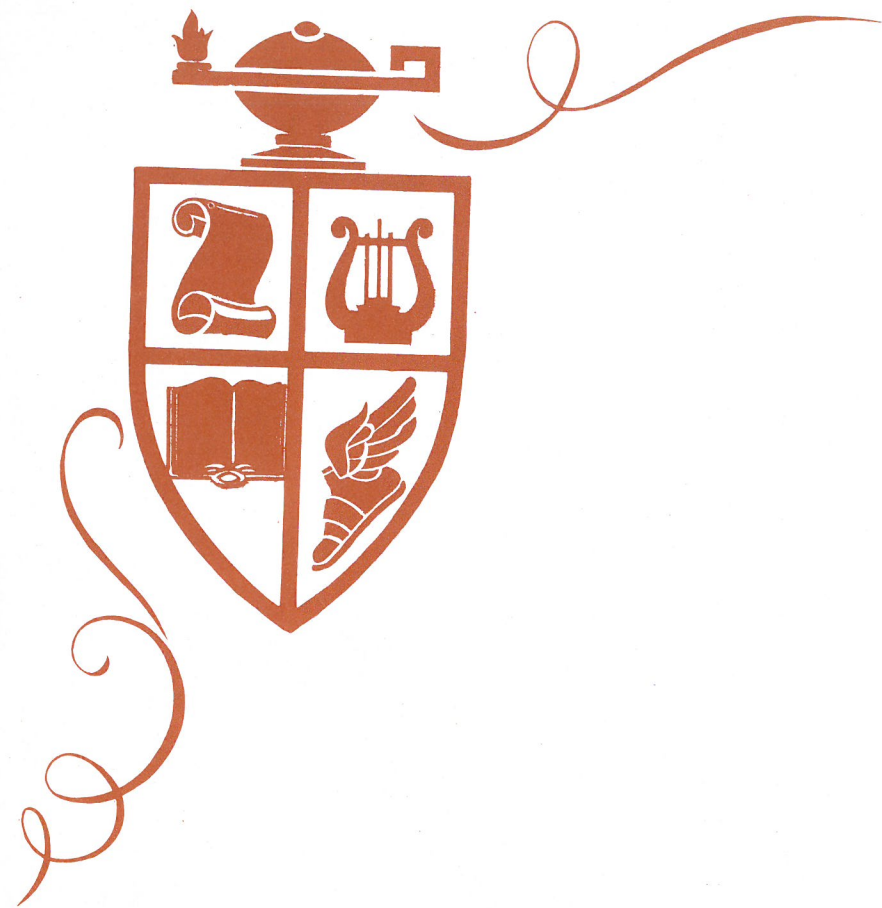

Our third year of high school we were gifted with two new members Donnell Mitchell of Springfield and Joyce Case of Ozark. Our class officers consist of Lowell Shortt-president, Gene Applegate-vice president, June Ewing-reporter and Donnell Mitchell-secretary and treasurer.

There were no class queen and prince charming as we didn't have a carnival.

Our final year of high school has finally come and in our final year we have six members. They are Betty Williams, June Ewing, Donnell Mitchell, Gene Applegate, Johnny Morgan Lowell Shortt. Our class officers consist of the following members: Lowell Shortt-president, June Ewing-vice president, Betty Williams-reporter, Donnell Mitchell-secretary and treasurer.

Our class queen and prince charming this year are Donnell Mitchell and Lowell Shortt.

## Class Will

I, Betty Williams will all my boyfriends to Beulah House.

I, Mary June Ewing will my good looks to Elza Cornog.

I, Donnell Mitchell will my ability to do shorthand to Doris Mitchell.

I, Lowell Shortt will my number 9 1/2 tennis shoes to Mary Weter.

I, Gene Applegate will my ability to drive a car to Fae Halford.

I, Johnny Morgan will my ability to study to Don Bilyeu.

We the senior class leave with the freshman and sophomores the worn out books, tennis shoes and the toil of studying.

We leave to the juniors the sincere hope of becoming seniors next year.

## Class Prophecy

It is the year of 1966, I have just arrived in Chadwick in my jeep station wagon with twin pipes and mud flaps and I came to a sliding halt in front of the Phillip 66 Service Station and found Johnny Morgan running the station.

Donnell Mitchell is a secretary to president Roy Ellis at Southwest Missouri State College.

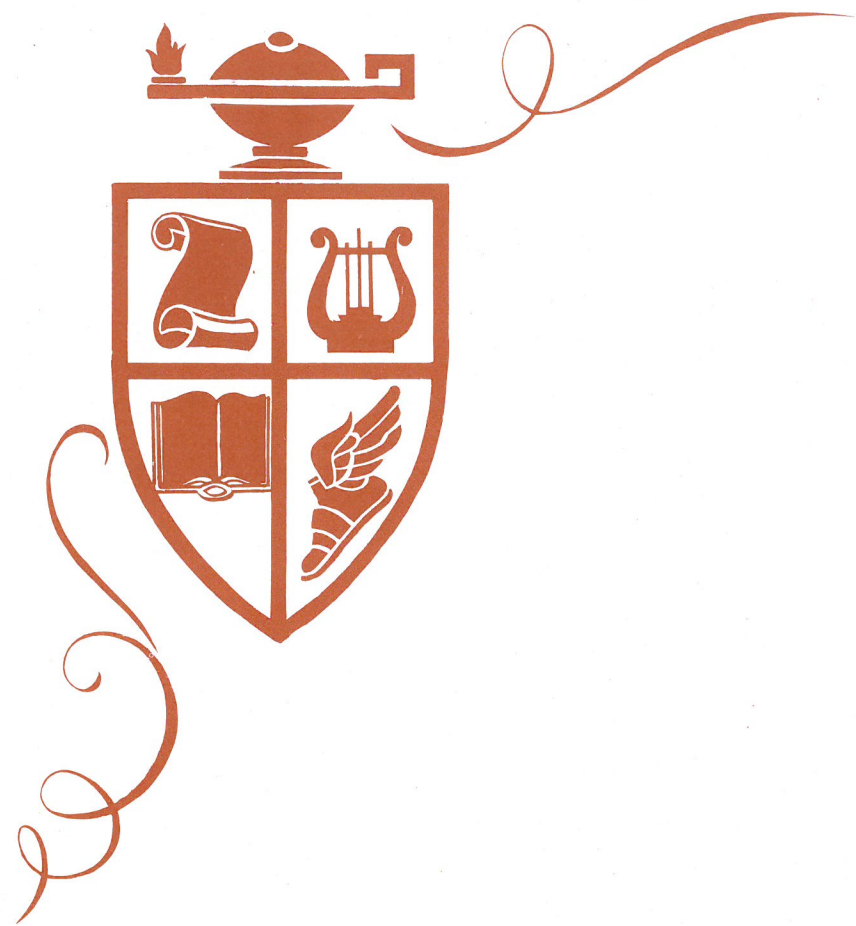

Betty Williams has been doing show work in Hollywood.

June Ewing took on a permanent job as a housewife.

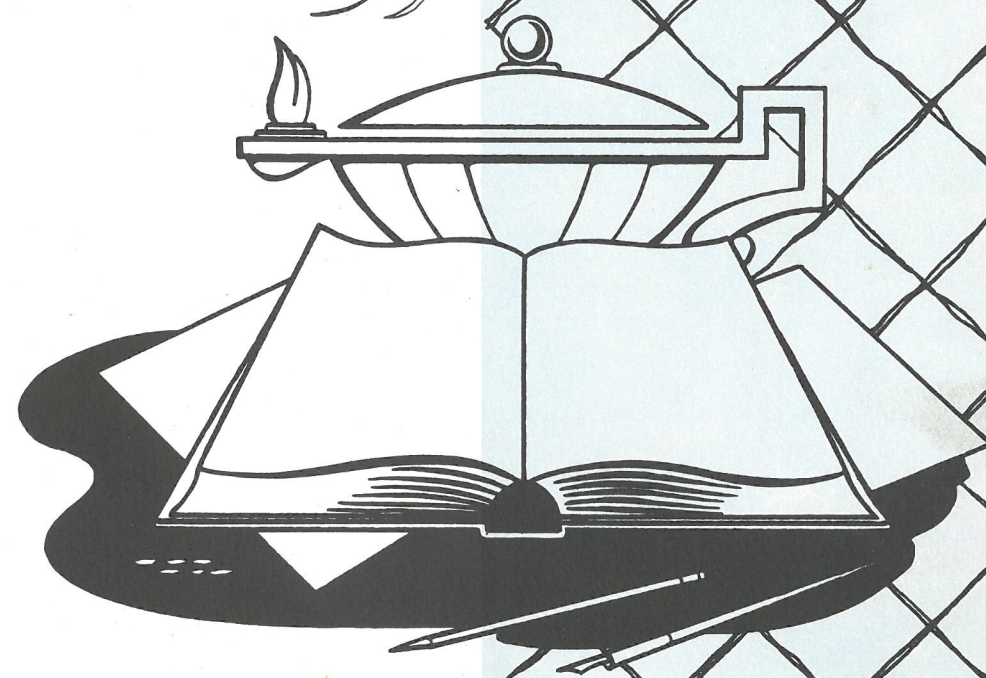

Lowell Shortt plays professional baseball he plays with the Oldfield Mud Dobbers.

Perhaps you are wondering what I have been doing, well I Gene Applegate have been driving the wheels off of everything I could get my hands on.
