1971 SHO-ME
Chadwick School
Chadwick, Missouri

Dedication

We the annual staff of 1971, would like to dedicate this yearbook to this year's High-School Faculty.

We feel that this group of teachers have been closer to the students, as a whole, than any other group of teachers we have known. They try to understand us and work with us instead of expecting us to do it on our own.

For this we are very grateful. We would like to take this opportunity to give you our sincere thanks, and to wish you all the best of luck in the future.

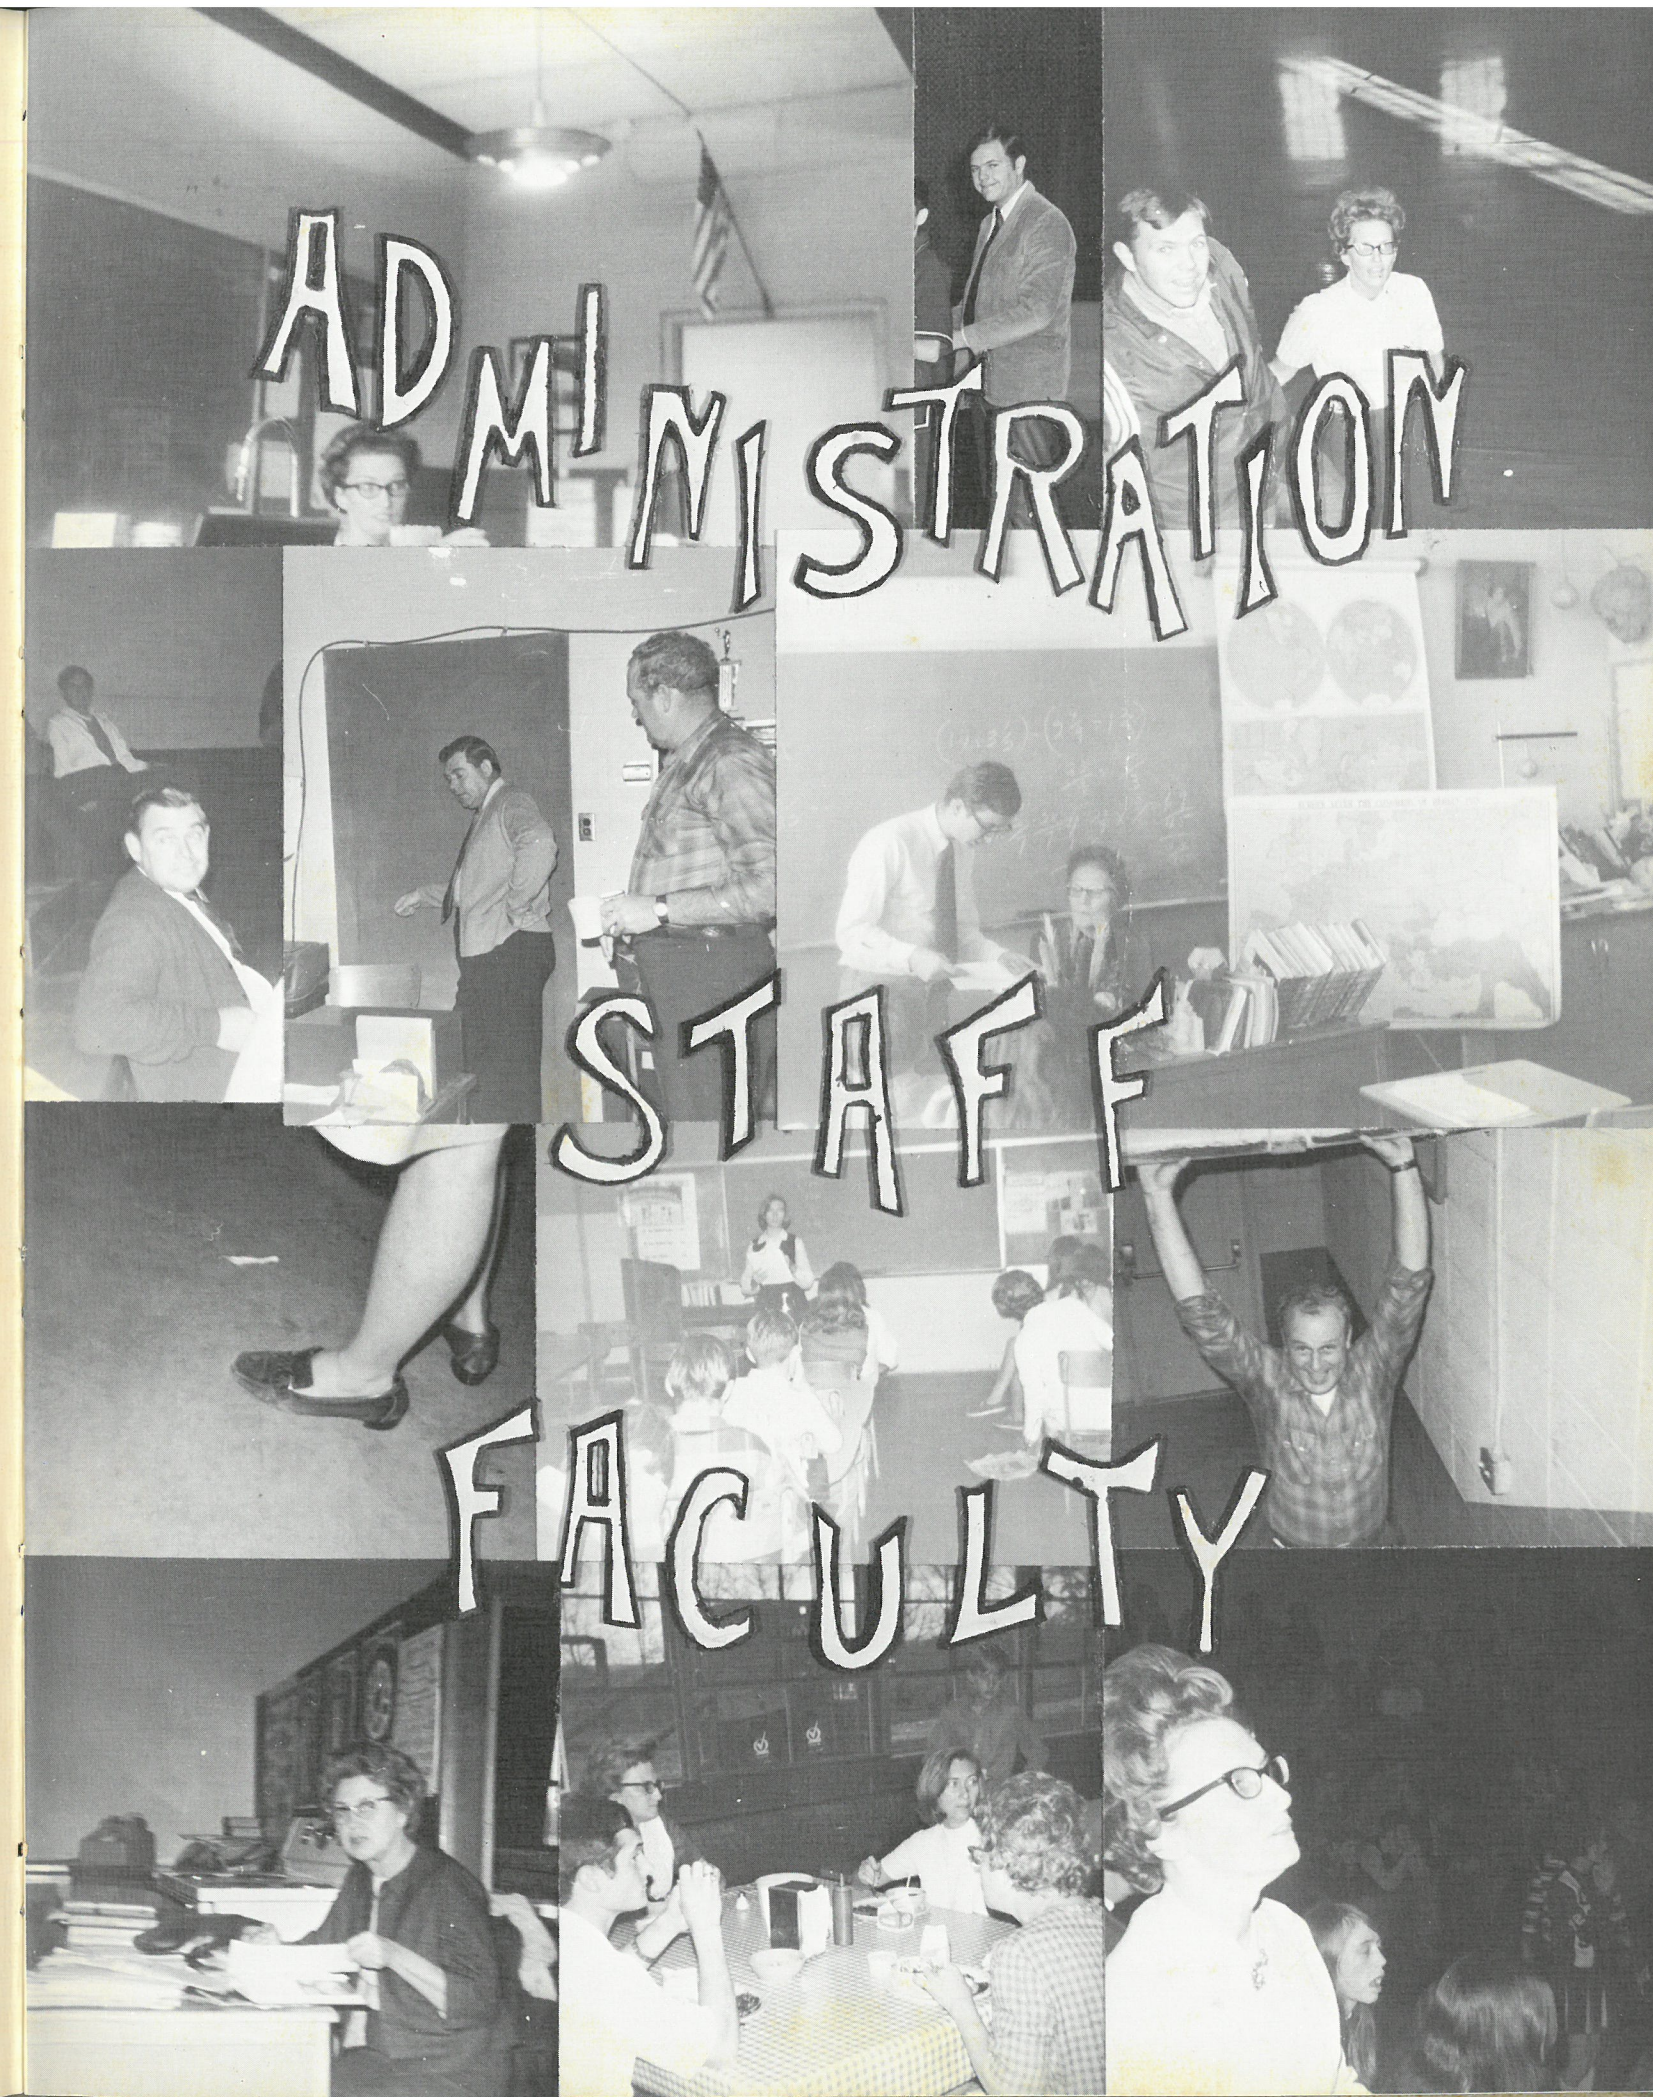

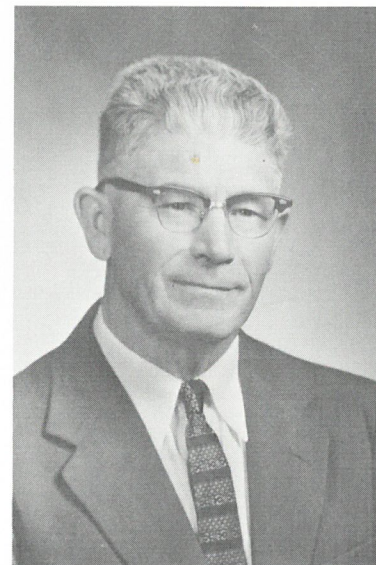

In Memoriam

On January 22, 1970 Mr. W. O. Ingle passed away after suffering from a heart attack.

He served as our Superintendent from 1968 until his death.

We the students of Chadwick lost a good Superintendent as well as a good friend. We enjoyed his lively stories and the advice he would give us at anytime we walked into his office.

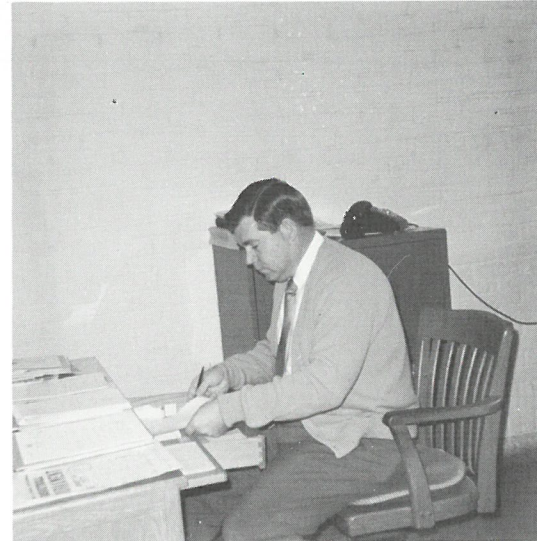

We shall never forget, "You have a wonderful, wonderful school, and you're a wonderful, wonderful student body!"

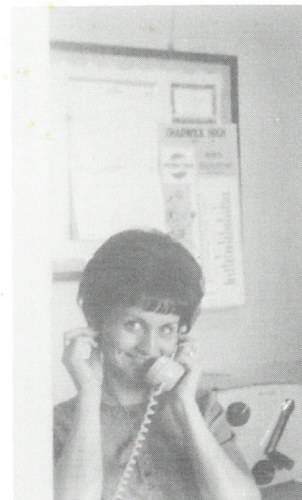

Superintendents

Mr. Billy Smith came to Chadwick early in January to be the Superintendent the remainder of the year.

Mr. James H. Baysinger was our Superintendent from the beginning of the school year until the beginning of January.

Secretary

Mrs. Louella Rains has worked as secretary at Chadwick for the past three years.

Custodian

Our custodian, is Mr. Ted Weter, also began driving one of our buses the second semester.

Cooks

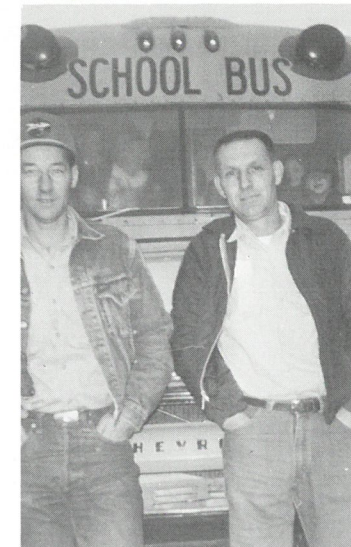

Mrs. Opal Jones began cooking the early part of January after Mrs. Burkhart left.

Team Honors

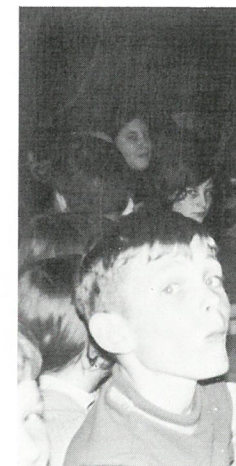

The 1970-71 Chadwick Varsity Basketball team held the following honors: 6th place in the Nixa Tournament, 3rd in Clever Tournament, 3rd place in the Seymour Tournament, and 2nd place in the Mansfield Class S Regional.

We also held one other honor which we all are proud of; that was the sportsmanship award in the Seymour tournament. It only takes a part of the school to have a good team it takes the whole school to win sportsmanship.

The varsity team broke the record this year with 22 wins. More power to you next year.

The 1970-71 carnival was held November 6, at Chadwick School. The purpose of the carnival was to raise money for play-ground equipment. The carnival consisted of games such as the fish pond run by the first grade. The second & third grades sold candy. The fourth grade had the grab bag. The fifth & sixth grade's operated the country store. The pick-a-balloon and dart throw was run by the seventh and eighth grades. The Freshman Class operated the spook house and jail. The jail house seemed to be the highlight of the evening. We have the students to thank for that they had a ball putting the teachers in. The Sophomores had the basketball throw. The busy Juniors run the fortune telling, pendulum swing and sold popcorn and the Seniors had the cake wals; they also sold pop and sandwiches.

The announcement of the queen was made between the A & B games. The candidates were Jane Lawrence, Freshman; Lynne Lambeth, Sophomore; Carol Burkhart, Junior; and Elaine Solomon Rousseau, Senior. They were chosen by the Student Body with a secret ballot. Carol Burkhart was chosen for the 1971 Homecoming queen.

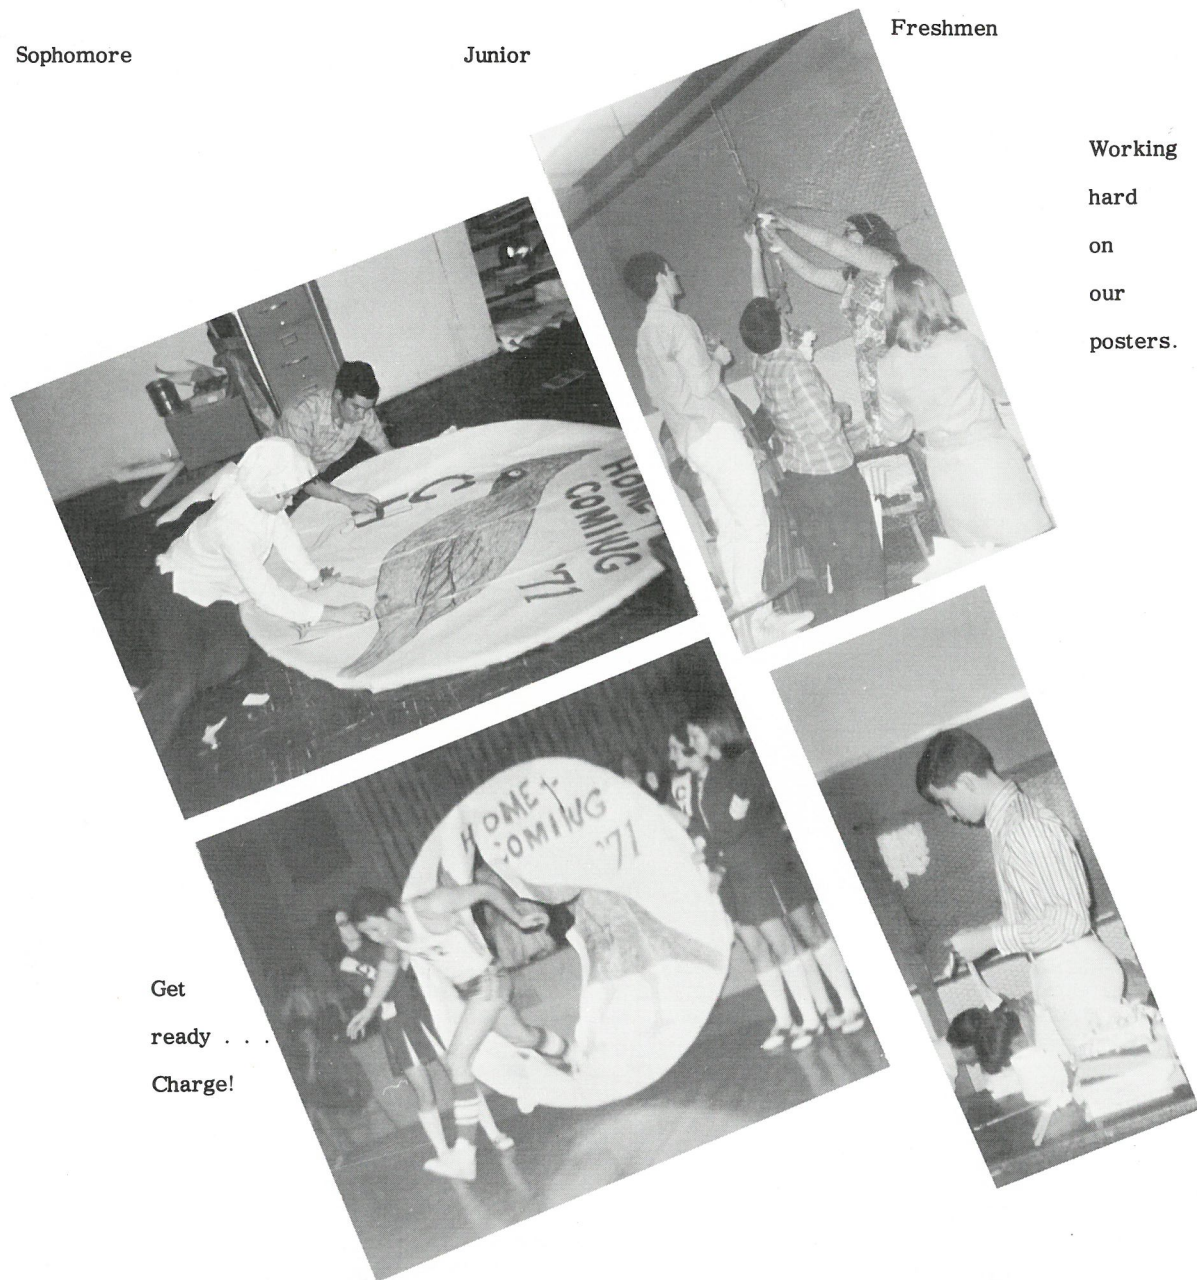

This is the first year we students have made posters for Homecoming. Each class made one, and then the posters were judged. The class receiving first prize for the best poster was awarded a three dollar check.
