## DEDICATION

The 1979-80 yearbook staff would like to dedicate this annual to our boys physical education teacher, Mr. Philip Nelson. Coach Nelson has been at Chadwick for three years and in those years he has achieved in bringing forth good team work and good sportsmanship.

We are very grateful to have a faculty member who can be fun and crazy, yet firm and serious about his job. We would like to take this opportunity to give you our sincere thanks and to wish you the best of luck in the future. Keep the spirit!

**This page sponsored by Ozark Farm Supply, Ozark, Mo.**

Sure there was work. Nobody doubts that. But take a minute to reflect. There were good times too. Keep the moments as best you can. Remember the faces, the fun, and the tears. Remember well your high school years, the best years of your life.

## BUSINESS SPECIALITIES CLASS

The Business Specialties Class' purpose is to publish the annual and the newspaper. The CHADWICK CHIT CHAT, the school newspaper was published monthly.

The class did exceptionally well this year in their advertising campaign for the annual. The results were a bigger annual. We were able to add an additional eight pages.

The annual staff would like to express their appreciation to all those who helped: Mr. Frank Stringer for the photography work, Mrs. Stephanie Rieser for designing the cover and for art work, and Mrs. Debbie Hull and Miss Gail Harris for the art work. We would like to thank Walt Disney Studios for their contribution of art work.
