A Night of Games

On Friday night, November 4, the 1983-84 Carnival was held. Superintendent David Ellsworth commented that the carnival turned out real well, all the kids worked hard, and everything was well organized.

Net proceeds of the carnival was \$1651.74. Plans for the use of the money include a drinking fountain, play equipment for the elementary, and a new heater for the gymnasium.

Prize money was awarded to the three classes making the most money at the booths. The winners were: Sophomores, Seniors, and Eighth Grade.

The Business Specialties Class had two main goals during the year. Those goals included the production of the yearbook and a monthly school newspaper.

The creation of the yearbook was the top priority throughout the year. This year Lanette Grimes, Sophomore; Shelly Burkhart, Senior; Sherri Grimes, Senior; Kim Walker, Sophomore; and Valorie Rozell, Junior: went through many steps to create a yearbook from mere ideas to the actual finished product. Advertisements were sold to local businesses to help with the financing, pictures had to be taken of all school activities, pages had to be planned, layouts had to be pasted up and copy written and proofread. Attempting to cover all areas of school activities in photographs and words proved an almost endless job for the staff. To record the accomplishments of a total school year took a great amount of time and effort; but the end result was worth the work.

Part of the time spent in Business Specialties was to collect news from both the elementary and high school. In addition to collecting, typing and proofreading the school news, the staff did a number of feature articles including horoscopes, song dedications and poetry.

Even though the staff was small and their tasks were large, the newspaper and the yearbook were representative of the student body and their activities for the 1983-84 school year.

Graduation 1983-84

The years have come and gone
Time has passed us by
The future lies ahead of us
To the past we say good-bye
We will always have the memories
Of carefree childhood years
And though I glimpse my future life
I pause to shed a tear

Graduation is upon us
As we don our caps and gowns
Parents are watching proudly
As the diplomas are handed down
Even though we've said good-bye
And taken our final bow
The senior class of '84"
Will always be around
