LOOKIN' GOOD

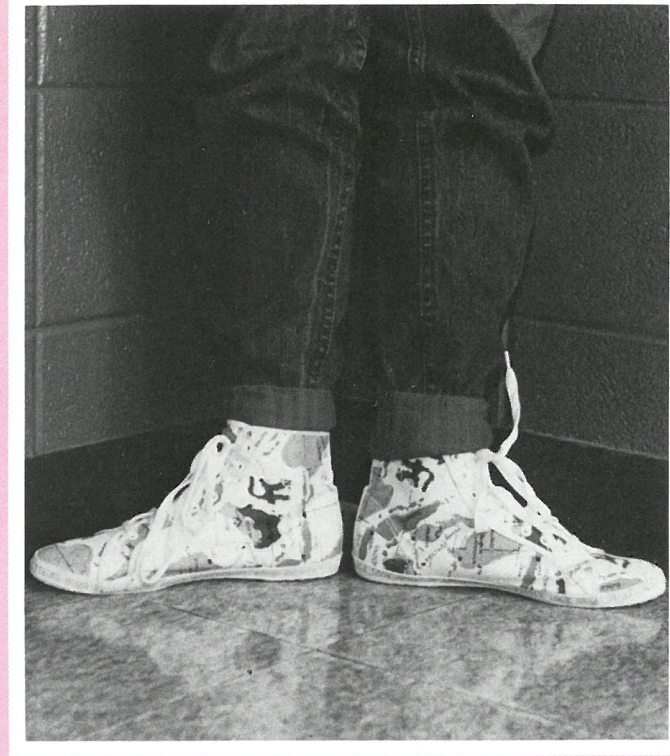

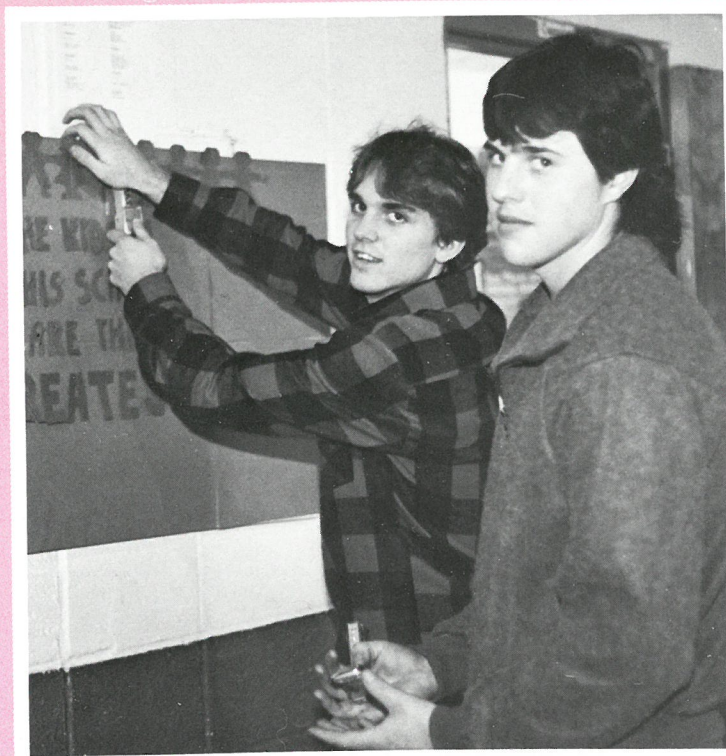

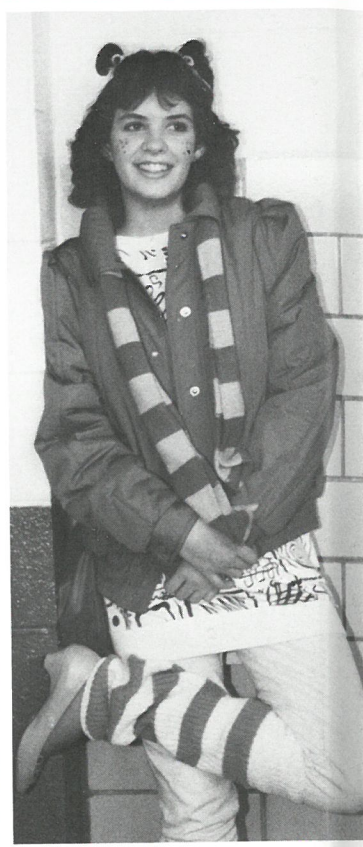

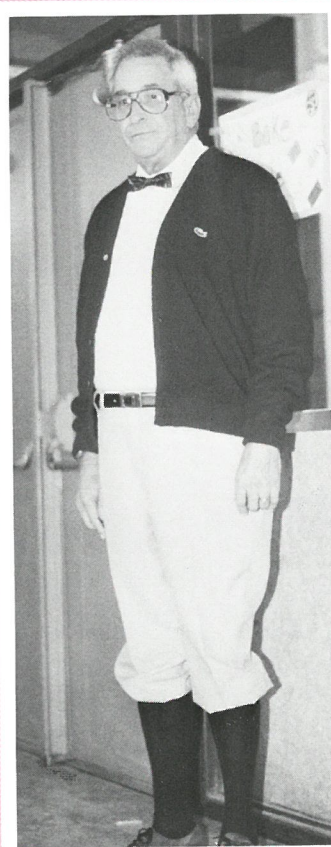

So many things happen during a school year that it would be impossible to mention them all or to capture them all in a picture.

A day at CHS usually begins in the halls. The students are usually in small groups talking about everything from the weekend that has passed or the weekend to come, the game the night before, or who is going with who. Most students dread to hear the sound of that first bell which means that the visiting is over and the work begins.

Usually the days at school go by quickly. Changing classes 7 times and a short 20-minute lunch leaves little time to be bored. The evenings are usually filled with extracurricular activities such as sports, practices or games, occasional club activities, whether it be a party, class trip, Rock-a-thon, or banquet.

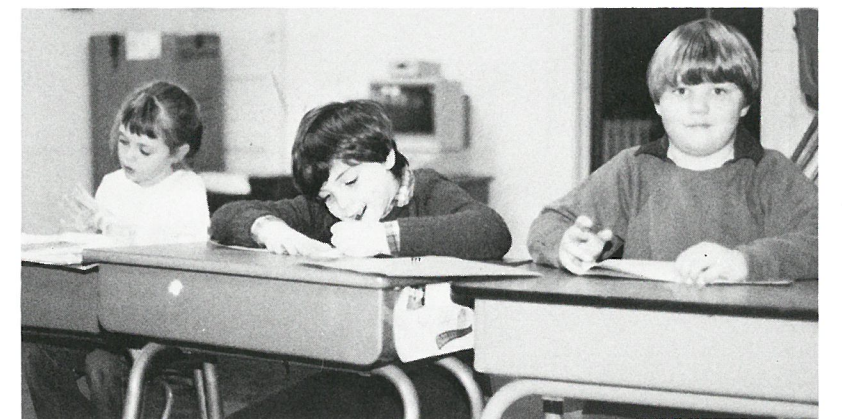

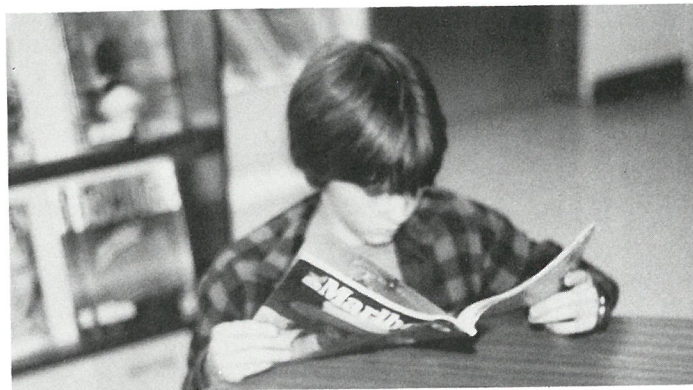

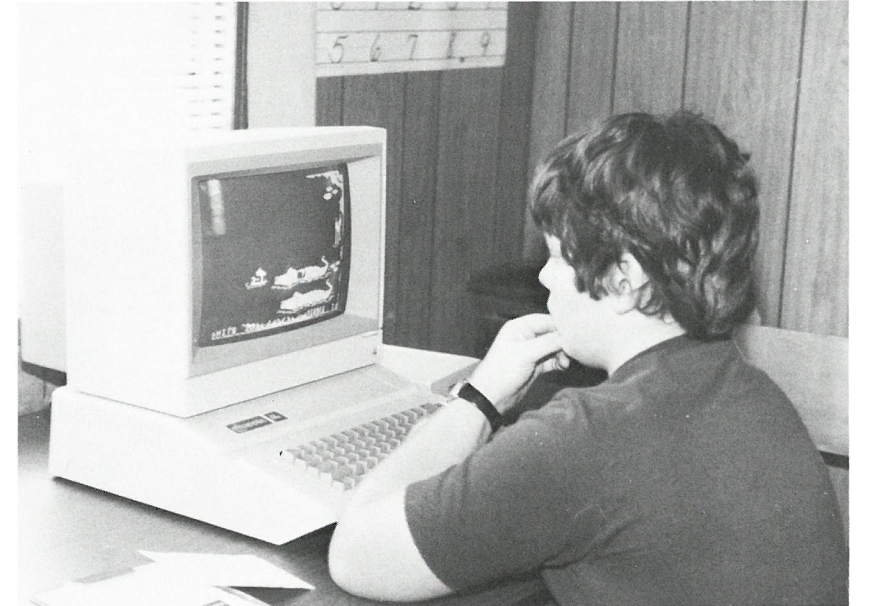

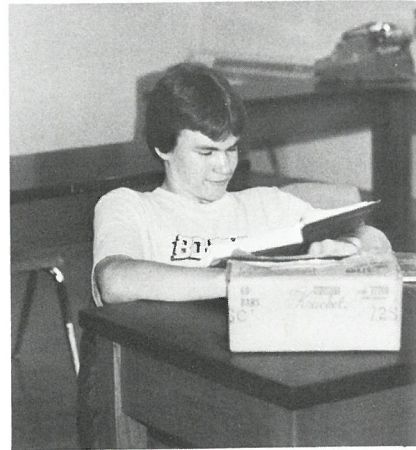

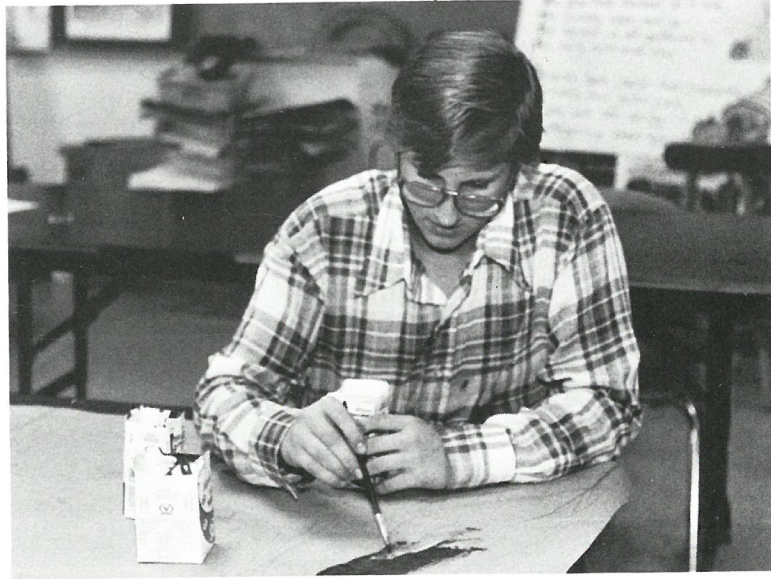

What made the 1986-87 school year such a special time? No two days were ever the same. Halloween, Spirit Week, Homecoming. The Christmas Program, a Mock Wedding, field trips, and guest speakers were all activities that helped add spark to the regular school day.

So as we look back on the 1986-87 school year we have a lot of memories. In looking back on 1986-87 we feel we were "looking' good," and realize we look forward to the future "getting better."

BUSINESS SPECIALTIES

The Business Specialties Class not only published the 1986-87 Yearbook, but also published a monthly school newspaper. Many hours of hard work went into the preparation of the yearbook and newspaper, but the staff always felt that the time was well spent when they were able to distribute the finished product to the CHS student body, faculty, administration, and staff. The students in the 1986-87 Business Specialties Class included Lori Applegate, Laura Coffey, Michael Coffey, Sheila Gardner, Janelle Jones, Carla Maggard, Traci Melton, Dawn Walker, Karen Walker, and Advisor Andrea Smith.

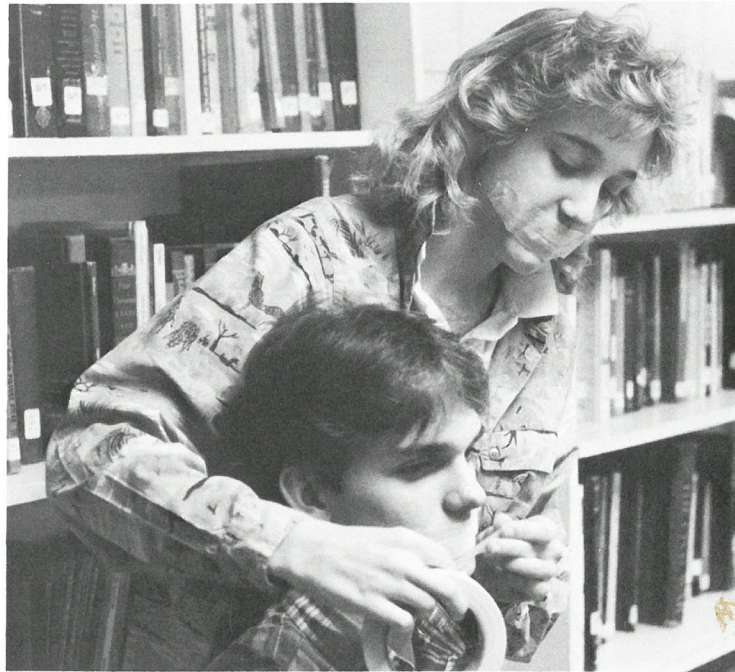

The Business Specialties Class attended a Yearbook Seminar held at Howard Johnsons in Springfield. At the seminar the students were able to get new ideas to help them in the preparation of the 1986-87 yearbook. Several other area schools attended the seminar given by the Herff Jones Yearbook Company. Many yearbooks were on display, a slide presentation was given, and all staff members were given the opportunity to create their own layout.

The girls have built up their fighting spirit, so that there were no easy wins for our opponents. The girls on both the A and B squads are very dedicated to the teams and very seldom do they miss practice, which is the battery of a successful season.

Next year we will be working hard on communication skills and our setting and spiking skills. But I see our aggressiveness to be a big threat next year, along with our serving improvements that we have made these past two years.

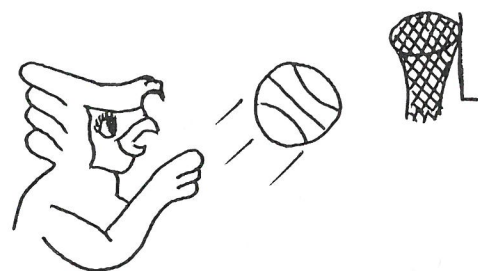

Congratulations girls for a successful volleyball season!

The Lady Cardinals had a good year in volleyball. At first we got off to a slow start with the Norwood Tournament but as the year progressed on we became more competitive. We played several matches to 3 games and on the average we would score 10 points against our opponent.
