NEW YEAR'S RESOLUTIONS by Traci Melton

Once again it's the beginning of a new year and some of the C.H.S. students and faculty felt a need for a change in their lives. Most of them agreed that they thought they needed to lose weight or be nicer to other people. Miss Rickman Stacy Vaught, Karen Cummings, Darr-elene Smallwood, and Anita Maggard really want to lose a lot! Darr-elene said 150 pounds and Anita said 100! Lori Applegate, Missy Herd, Rhonda Grove, and Mrs. Horton were all in the right spirit, they said that they'd all be nicer to people. Arleigh Long said that her New Year's Resolution was to stop smoking and control her temper. Janelle Jones said she was going to eat more pasta and less chocolate. Angela Kinyon says she's going to get Timmy (I wonder who that is). Theresa Cummings is going to follow her heart (sounds romantic). Jennifer Stevens has resolved to never have another snowball fight again. Ms. Snider says she's going to return things she borrows. Now that they've made their New Year's resolutions, will they keep them???

CHRISTMAS GIFTS

by Janelle Jones

The Christmas season is over and all that remains is the winter weather and everyone's presents.

We thought we might find out if anyone got what they really wanted for Christmas.

It seems like the most popular gift this year was clothes. Sherry Herd got a jacket, boots, and lots of sweaters. Anita Maggard said she got a jewelry box, lots of unicorns, and lots of clothes.

Becky Peak got sweaters, jeans, a purse, and tons of makeup. Naturally Laura Peak got her share of clothes too. Tonya Smith's favorite Christmas gift was her cat sweatshirt.

It sounds like Missy Herd got a variety of stuff. She said she got a pair of boots, a pair of tennis shoes, clothes, jeans, a calculator a purse, etc...

Mike Massey received plenty of clothes, a gun, and a gun rack. We know Mike will be ready to go hunting this season.

Mark Smith got a watch, shirt, an a sweater. He didn't sound too excited about this Christmas but maybe next year Mark.

Mrs. Horton is probably going to be doing a lot of cooking because she got a new microwave oven and some baking dishes.

Mr. Remenar said all he got was clothes and tools.

Mr. Mease said he got just what he wanted, a new set of tires for his truck.

Tonya Tennison had an unusual Christmas. She got a gold chain, a watch, and a talking teddy bear.

Sam Weter's Christmas sounds interesting. The best thing she got for Christmas was the weekend before New Year's Eve and the weekend after Christmas. For some strange reason that sounds funny.

Jessi Miller, Kim Finney, and Jennifer Stevens all got coloring books for Christmas.

FOURTH GRADE CLASS

Lisa Herd, David Wiles,
Cecillia Williams, George
Dotson, Chrystal Gilbert,
Connie Vaught, Matthew
Lawrence, Stevie DeWitt,
Travis Smith, Ronnie
Cramer, Jack Guerin,
Robert Spinner, Jerry
Smith, Kevin Jackson,
and Daren Burkhart.

LIBRARY NEWS

No, that wasn't the Jane Fonda workout tape you might have seen on TV in the library. It was the Chadwick girls Jr. High P.E. class performing their own aerobic routines and recorded by Mrs. Cooper. By watching their routines on tape, the girls could evaluate their own performances. It was both a fun and useful activity for them.

Mr. Cooper has been videotaping several activities around school. She recorded the pinata parties that the Spanish Class held for the Kindergarten, first, and second graders, and a Readers Theater performance by some fifth and sixth graders for the third and fourth grade. Those performing were Brandy Maggard, Becky Mitchell, Terry Mitchell, Tony Moore, Tonya Rozell, Tamera Thurman, Kim Blevins, Melissa Loomis, Chasity Mitchell, Laura Nelson, and Sara Whitley.

If you would like an activity recorded for your class, please see Mrs. Cooper. She will be more than happy to record for you. This is a good way for students to evaluate their own performance, review materials in class, or for teachers to evaluate students. And besides, its fun for everyone to watch themselves and their friends on TV!

FOURTH GRADE By Carla Maggard

The Yearbook Staff decided to interview the fourth grade for the January paper to see how their first half of the school year has been. The students were asked what area of school they would like to improve in the second half of the year. Robert Spinner would like to improve in gym. Jack Guerin and Mark Loveland want to improve in health. Travis Smith, Kevin Jackson, Daren Burkhart, Lisa Herd, Connie Vaught and Christy Gilbert all want to improve in music. Matthew Lawrence would like to improve in spelling and math. Ronnie Cramer, Connie Vaught and Matthew Lawrence said the best thing about Fourth grade was recess. When asked what the most important thing they have learned in fourth grade so far Daren Burkhart, Jerry Smith, Travis Smith, Mark Loveland, Lisa Herd, Christy Gilbert, David Wiles and Connie Vaught all agreed learning how to do math. Kevin Jackson said he has learned how to help others.

The Kindergarten Class came in First place in the Canned Food Drive held by the FBLA/FHA Club. All food collected was taken to the Christian County Neighborhood Center to be distributed to needy families in the Christian County Area.

- ART NEWS-

The junior high and high school classes have finished a unit on printmaking. Using linoleum printing, they made their own Christmas cards.

The art II class has been working on drawing buildings using correct perspective. They will be making a crayon engraving of a cityscape next.

The art I classes are working with values, they are painting a still life using shades and tints of one color. These will be put up in the art room when completed.

The art specialties class have been making signs for basketball games. They have finally finished the mural for the science room. Check it out in the science room!

They will be making the cardinal for the basketball players to jump through at Homecoming.

The 7th graders are drawing winter trees, using bleach or brown paper and then using black markers for the texture.

The 8th graders are learning calligraphy. (fancy writing) using pen and ink.

CAMPBELL SOUP LABELS

This year we hope to get more school equipment with your help in saving Campbell soup labels. We would appreciate it if you turned them in to Mrs. Nelson or Mrs. Harris.

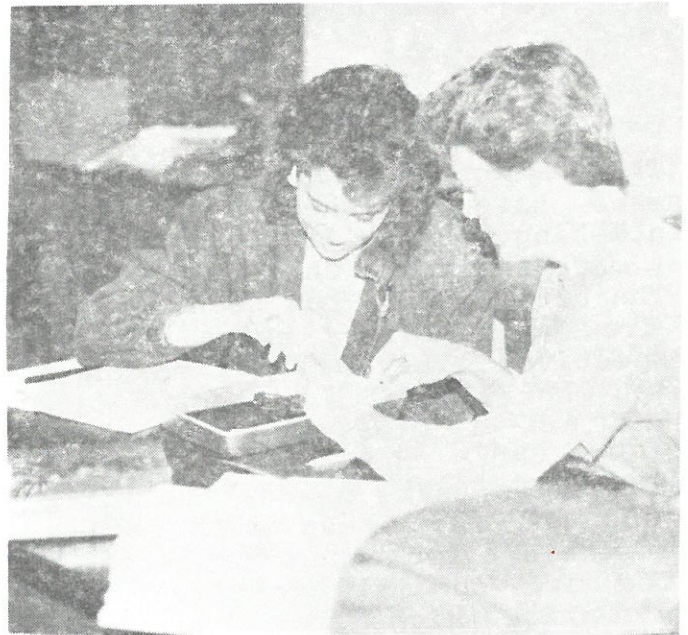

Listed are some soups to save the labels of: Campbells condensed soups, chunky soups, Soup for One Soups, low sodium soups, quality soup and recipe mix, bean products, tomato juice, V-8 vegetable juice, V-8 low sodium vegetable juice, Franko-American products, Swanson canned food products, Recipe canned dog food dinners, Prego and Prego Plus spaghetti sauce.

We are also saving the proof of purchase confirmation seals from: Valasic pickles products, Swanson frozen dinners, Mrs. Pauls frozen foods, Juice Works frozen concentrate, Juice Works blends of 100 percent fruit juice and Juice Box.

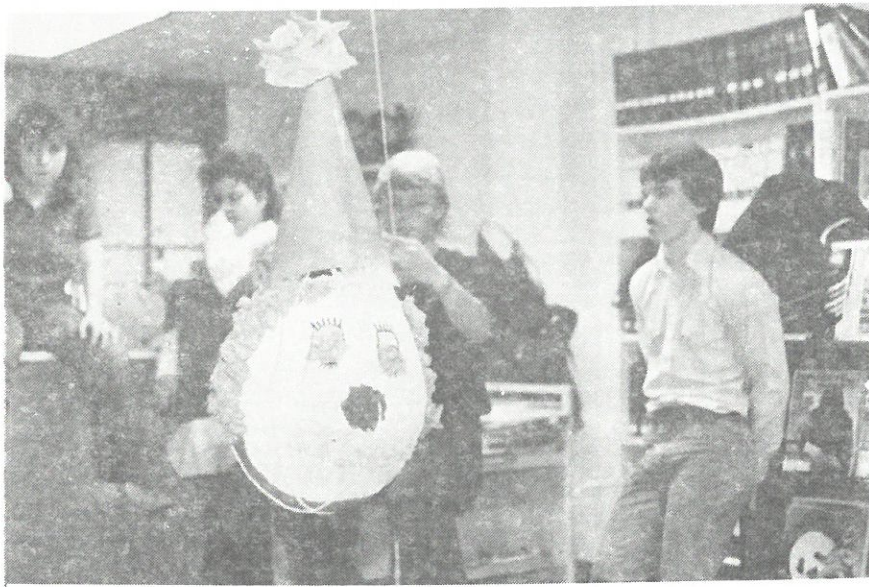

ACCOMPLISHMENTS OF 1987
by Dawn Walker

With 1986 in the past, we look forward to 1987, hoping it will be even better than the previous year. Almost everyone has an ultimate goal or accomplishment they would like to achieve during the new year. We have asked some of the CHS students what they hope to accomplish in 1987, and here are the responses:

Molly Hurd and Rhonda Ridenour both agree that they want to get some "Men" in this school that do not have perms! Michele Hampton's major accomplishment is to win the Missouri Lottery and with the money run off to Jamaica with Molly, Thomas and Shane! (sounds like fun!!) Brandon Stevens has a real simple response, "Get Rich". Ellen Mitchell has an accomplishment, which is very unusual, (maybe even dangerous) she wants to become a communist and take over the world. April Hale and Karen Cummings both just want to get the guy of their choice this year. Tonya Smith wants to accomplish passing the Eighth Grade! Kathy Applegate's accomplishment is to lose enough weight to be able to wear a bathing suit. Mike Barr's accomplishment is to complete the 11th boring year of school and to find a job and purchase a vehicle, but most of all stay out of trouble.

The First Hour Biology II Class which includes Theresa Cummings, Janelle Jones, Sam Weter, Crystal McFarland, Traci Melton, and Rhonda Grove have been dissecting. They all agree it's a great experience.

Michele Hampton, Teri Osborn, Mark Smith and Shannon Workman prepare the pinata for a elementary Christmas Party.

Kindergarten and First Grade students battle to see who can get the most candy from the broken pinata.

THE FIRST ANNUAL CANDYLAND TOURNAMENT OF CHAMPIONS

Congratulations to Jennifer Stevens who overcame her handicap of color blindness to take first place in the Pais de dulces (Candy land) Tournament.

Coming in at a close second was Kim Finney with her skill and knowledge of colors.

Coming in at a slow pace with Third was long-time Candyland Champ Jessi Miller.

While Senior Michele Hampton went away with Fourth place, she blamed her loss on an injury early in the game.

We would like to extend our invitations to all high school and Jr. High Students to attend the final round of competition between Jennifer Stevens of the U.S. and a foreign exchange student from Spain.

Buena Suerte Jennifer!
(Good Luck)

WIND UP SOPHOMORES!

By Karen Walker

Wind up **Clinton Case** and he will be wearing black.

Wind up **Theresa Cummings** and she will try to straighten out her love life.

Wind up **"Chops" Kurtis Daugherty** and he will be in the corner with Missy.

Wind up **Chris Freese** and he will read a book.

Wind up **Missy Herd** and she will giggle.

Wind up **Sherry Herd** and she will bang up the Drivers Ed. car.

Wind up **Janelle Jones** and she will talk about everything Gary won't let her do.

Wind up **Traci Melton** and she will be cruisin' in her dad's blue ford truck.

Wind up **Becky Peak** and she will get embarrassed and turn bright red.

Wind up **Brad Rozell** and he will be chasing girls.

Wind up **Stacy Vaught** and she will be with Brandon.

Wind up **Karen Walker** and she will be in trouble.

Wind up **Sam Weter** and she will be dragging Molly to Tony and Tims.

Wind up **Rhonda Ridenour** and she will be cruisin' Chadwick.

Wind up **Carla Maggard** and she will be chasing guys.

Wind up **Anita Maggard** and she will be fighting with Michael.

Wind up **Tim Pendergrass** and he will never shut up.

Wind up **Matt Maggard** and he will be playing with his frog in the street.

Wind up **Molly Hurd** and she will be where ever Sam is.

ATTENTION CHADWICK GIRLS

By Arleigh Long

The Chadwick girls program has been cancelled again this year due to the lack of availability of more girls. This is a sad situation, because six girls really wanted to continue this year's season. It is really difficult to be able to finish or even start a season with fewer than ten girls. Girls as of now we are the lowest school on the totem pole, because we cannot seem to get enough girls who are willing to work for their school. I ask you girls to think about representing your school in the upcoming sports and next years basketball team. It is not impossible for the Chadwick girls to have both an A-team and a B-team. Next year Sparta will be dropping from our conference and Hurley and Dora will be joining us. If we work at it we could be one of the toughest teams in our conference. I'm asking you to think about what you are doing to the girls sports program by not joining the team. If we stay at this pace, there will be very few schools who will put us back

on their schedules, because we are so unreliable. Then who gets hurt the most by this? We do. So lets look at some of the things we gain when we are involved in sports.

1. We represent our school, Chadwick! Aren't you proud of your school, if you are let's prove it.
2. We obtain excellent physical condition.
3. We learn how to work together as a team and it's fun.
4. We learn how to control our emotions.
5. We learn how to play the game.
6. We learn how to be competitive against other schools.
7. We build social relationships with other schools and other students.
8. We get to be recognized by our school, classmates, our community, other schools, and other communities.
9. We also get recognition from T.V. and newspapers.
10. Last but not least we gain self-satisfaction knowing that we did the best that we could do.

So I ask you Chadwick girls, what do you have to lose?

DON'T QUIT

*When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sign,
When care is pressing you down a bit--
Rest if you must, but don't quit.*

*Life is queer with its twist and turns,
As every one of us sometimes learns,
And many a person turns about
When they might have won had they stuck it out.
Don't give up though the pace seems slow--
You may succeed with another blow.*

*Often the struggler has given up
When he might have captured the victor's cup;
And he learned to late
When the night came down,
How close he was to the golden crown.*

*Success is failure turned inside out--
So stick to the fight when you're hardest hit,--
It's when things seem worst that you musn't quit.*

CHRISTMAS MUSIC PROGRAM By Anita Detherow

This year's Christmas Program was held December 19 at 7:30 p.m. All of the groups did very well and helped contribute to a very successful program. Many parents commented on how much they had enjoyed it.

The teachers were all helpful in cooperating with rehearsal times. Mrs. Sniders Art Classes did a great job with props and programs. Mr. Long helped by being Santa. There are a lot of people to be thanked and all the parents and kids are to be thanked for coming. They all helped to make it a great success.

1987 JEFFERSON CITY TRIP

by Traci Melton

This Spring, April 23, Seventh and Eighth grade history classes will be taking a trip to Jefferson City. They have guided tours scheduled for the Capitol, the State Highway Patrol Museum, and the Conservation Department. They will leave at 7:00 a.m. and get back by 6:30 p.m.

They will have to raise \$300 to \$350 to pay for their trip. So far they have raised \$86 from Bake Sales, and are hoping to raise more from a future Bake Sale before Christmas Vacation. In early Spring they plan to have a Car Wash to raise more money.
