Batmania

by Jessi Miller

If you could name one of your favorite movies for the summer of 1989 what would it be? If your like many people you would say the blockbuster "BATMAN"! This movie made \$237 million the first two weeks it was out.

The 1980's version of BATMAN differed alot from the 1960's version. The old BATMAN had pows, kabooms, and bangs which appeared everytime he hit an enemy. The old BATMAN was much more comical than the new serious caped crusader. The biggest difference of all was not BATMAN himself but his sidekick Robin, who was missing in the new movie. They have already started production on a new BATMAN movie starring Michael Keaton as BATMAN, Kim Bassinger as Vicki Vale and Danny Devito as the Penguin.

Merchandising has been a very big part of the BATMAN craze. Look around the halls of CHS and you will see something with BATMAN on it. There are over 100 products you can buy with BATMAN on it.

Here are some responses from CHS students on BATMAN: William Peak said his favorite character was Vicki Vale because she had nice hair. Amy Grove loved the whole movie but she said she didn't like the Joker until he had his face fixed. Marty Walker also liked the Joker because he had an excellent laugh. Tonya Smith gave the movie 2 thumbs up when she said- "Michael Keaton was great as BATMAN

but Jack Nickolson was awesome as the Joker."

If you could have been the lucky person who got to cast this movie who would you have chosen to play BATMAN from CHS? Turn in your responses to Mrs. Farley or any of the Newspaper Staff. Your choices will be in next month's paper.

From humble beginnings in a comic book this overgrown bat has hit the big time. No one knows when all the excitement will end but one thing is for sure- BATMAN is here to stay!!

Bat Contest K - 6

Since your BATMAN fans too, we decided to give you your own contest. Draw your best picture of BATMAN and give it to your teacher. The Newspaper Staff will choose the best one from each grade and each winner will recieve a BATMAN prize. Teachers- Have the kids turn in their pictures by October 5. Have fun!

Summer News

By Jessi Miller and Laura Peak

June, July, August. Ahh-summer vacation. To some people it means being lazy or going on vacation, to others it means work. Here are some ways CHS students and teachers spent their summer: Amy Grove babysat and talked on the phone, Kim Finney went on vacation to Washington D.C. and New York, Ms. Henderson and Tina Nalley attended a science workshop in Tennessee for a week. Kathy Applegate said she had to babysit B.J. and worked at the Cheerleader's carwash every Friday, Sara Whitley did nothing too exciting, Mark Sisco says he really can't remember anything he did. Karen Cummings babysat Abbey and Bub Payne, Bradley Walker spent the whole summer working for his Grandad, Tonya Smith worked away her summer at Burger King, Marty Walker also worked, earning big bucks at Hagle's.

These are just a few of the ways CHS students and teachers spent their summers. However you spent yours we hope it was great!

Great Expectations

by Kim Finney

Every year when school starts, most students come back with expectations of what the school year will be like. Here are some expectations from CHS students: "I'm going to try not to spend too much money on "Senior stuff", and make this the best year ever." -- Jennifer Stevens. "I want to make myself unforgettable." -- Jessi Miller. "I'm going to graduate." -- Mark Sisco. "I'm going to take it day by day." -- William Peak. "I'm going to have a good time and enjoy my senior year and graduate." -- Christy Grider. "I'm going to get through my classes with good grades." -- Shannon Sanders. "I hope to win a Junior Varsity basketball game." -- Raymond Stevens. We hope that these and all the other expectations come true.

Lady Cards

by Jennifer Stevens

The 1989 Volleyball season started off with a blast when the Lady Cardinals stomped the Spokane Owls (Varsity 15-4, 15-8 Junior Varsity 15-3, 15-2). Since then they have played Sparta at home and participated in the Verona Tournament. The Lady Cards went back to Verona September 12th to conquer the Wildcats (Varsity 15-12, 15-12, Junior Varsity did not play).

Coach Arleigh Long said that "she feels like her ladies are doing well and have a lot of talent and a great desire to win. She also feels that they have a few weaknesses to work out but in the end she's looking forward to a very successful season."

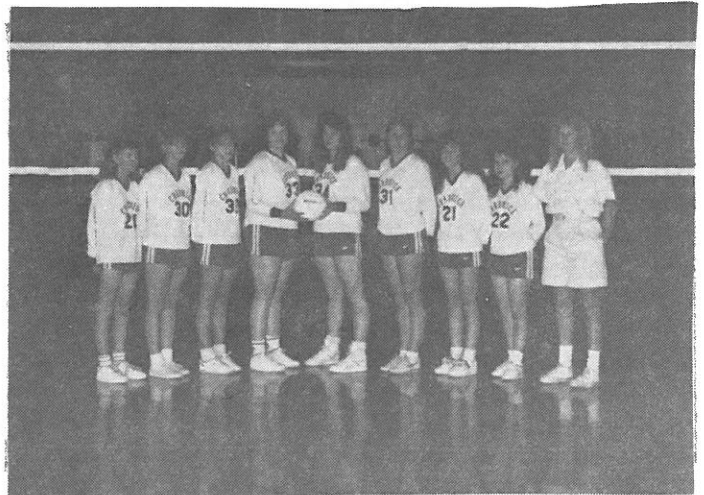

September 14th the Varsity ladies beat Bradleyville 15-3, 5-15, 15-8. The J.V. also won with scores of 15-6, 6-15, 15-6. The volleyball Cards have stayed pretty close to home since the Bradleyville game. They played Norwood, Everton, and Hurley at home the week of Sept. 18-22. They headed out Sept. 23rd to play in the Hollister Tournament and were back at home to host Spokane and Seymour.

The eighth grade have just finished a collage; six of these are displayed in the art room.

By Laura Peak

A new addition to CHS is on the rise. Excitement over the new gym is mounting. It is scheduled to be completed in the first week of November. The larger size will be an advantage for games and school activities. The gym includes locker rooms with showers and restrooms in it, the deck above locker rooms has a refreshment stand with public restrooms, there are two stairways leading to the deck. The gym includes a storage room and mechanical room. It will contain folding bleachers, which upon completion should hold approximately 500 people.

Everyone is looking forward to using the new gym and hopes it will be done soon.

Yearbook News

by Mrs. Farley

The 1989-90 Yearbook and Newspaper Staff include the following students: Kim Finney, Amy Grove, Jessi Miller, Teri Osborn, Laura Peak, and Jennifer Stevens.

The staff sold ads on September 1 in Chadwick, Oldfield, Sparta, Forsyth, Ozark and Nixa. They will also be attending the all-day yearbook seminar held at Sheraton Inn at Springfield in order to get new ideas for the 1989-90 yearbook.

It looks like a great year for everyone and we hope that if there are any events or school activities going on we will be informed so that they can be included in either the newspaper or yearbook so that the memories of 1989-90 are kept alive in print or picture.
