More Letters For Santa

Dear Santa,

Hiya! How ya been this year? As for myself I've been a perfect little angel but this year I've got a favor to ask of ya. Now, I know this sounds kinda crazy but would you please for me and everybody else at CHS finish our gym. Just remember on Christmas night to bring down plenty of paint, bleachers, basketball goals, scoreboards and anything else you can think of. We would just want to be able to play one Basketball game in it (or at least graduate in it!). I know its gonna be a job but we've been such good kids this year. XOXO

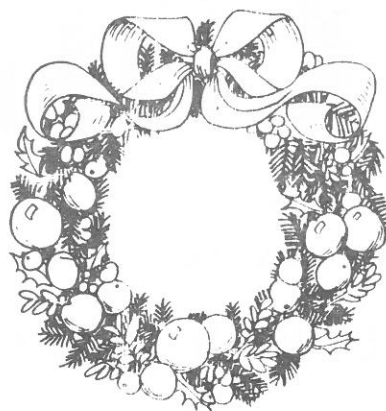

Love ya Santa,
Jessi Miller
Senior

P.S. Bring some big strong elves to help ya! (Especially Blond, Blue-eyed 6'2" elves.)

Dear Santa,

I WANT RUDOLPH! And that's all I want. I will feed him and put him on a new sleigh team I will put him in front. The others will be pleased.

by Kim Finney

Christmas Vacation is a time when students get a break from the classroom and books. Students try to think of things to keep them busy. Here are some of the things that CHS students plan to do over Christmas Vacation:

William Peak plans to eat, sleep, and watch TV. Lisa Phillips says she will sit around listening to women talk and men watching ballgames. Tina Nalley is going to sleep alot and waste as much gas as possible. Kathy Huff plans to play with Brooke and teach her to ride her new three-wheeler. This is Coach Terry Jester's third year at Chadwick. He is Athletic director, boys coach, seventh grade & High School Health teacher and Jr. High and High School P.E. instructor. Coach Jester graduated from Southwest Missouri State University with a Bachelor of Science in Education.

Coach Jester came to coach at Chadwick because he wanted a job close to the Springfield area. He says that it has been a great three years and that everyone has been very supportive.

I asked Coach Jester what he thought about this years ball team and he commented: "I think we have a chance of having a pretty good season, if we will work on our defense as hard as I want us to."

Coach Jester lives in Springfield with his wife Melinda and his hobbies are sports (especially softball and basketball) and fishing.

A Little Carol

Mary had a baby
One night, in Bethlehem—
Three wise men went to see her,
Taking gifts with them.
They made a special journey,
Star led, from distant lands.
But *first* to visit Mary
Were the men with careful hands.
God sent three quiet shepherds
Before He sent the kings,
For they are used to handling
Little newborn things.
