Highlights of 1989

by- Amy Grove

Nineteen-ninety has finally rolled around. It's time to look forward and make new plans for this year. But it's also a time to look back on the memories of Nineteen-eighty-nine. I asked some of the students and teachers what their most memorable experiences of Nineteen-eighty-nine was and here's what they said. Kim Finney, Jessi Miller, Laura Peak, Karen Cummings and myself all agree that our most memorable experience was when the girls volleyball team won the Mark Twain Conference. Christy Grider got a new baby brother. Teri Osborn got her living room fixed. Lisa Phillips, Jesse Shepherd and Ray Tennison all agree that beating Sparta was their most memorable experience! Shannon Sanders says hers was when she got proposed to. Raymond Stevens got a new baby sister. Kathy Huff say winning 3rd place in the Blue eye tourney and the girls eight game winning streak would be her most memorable. Tina Weter started going out with Roy Hopkins. And Julie Bettis says that having Misty was definitely her most memorable.

Happy New Year!

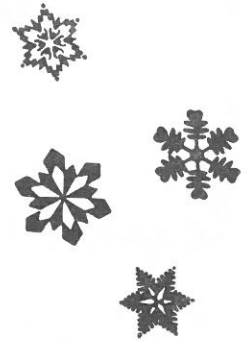

Rez-Ah-What ???

by- Amy Grove

Resolutions, we all make them but do we really know what they mean? A resolution is a faithful, true, loyal process of solving a problem. Most people make resolutions at the beginning of the year to get the New Year off with a good start. I asked some of the students and teachers what resolutions they made, here's some of their responses.

Jennifer Stevens- says she would like to control her temper and also try to control all the men that admire her. Laura Peak and Kim Finney say they didn't make any resolutions because they probably wouldn't be able to keep them. Jessi Miller's resolution was to find her a rich, good looking, blond, blue eyed 6'0" stud that isn't from around here. Mrs. Morrill says she wants to lose weight and graduate from SMSU on May the 19th. Good luck Mrs. Morrill!

Christmas Program

by Tina Weter

December 19, 1989, Chadwick School held their annual Christmas program. This included grades kindergarden through eighth and the high school choir.

Mr. Cartwright put together the music program. The eighth grade girls chosen by Mr. Cartwright sang "The Rose" along with a few other specials. A few of the other Christmas songs sang that night were Jingle Bells, Joy to the World, and many others.

There were many people at the Chadwick High School Gym that night and the High School Choir sang "We Must Say Good-Bye" for the closing song.

Afterwards there was a Christmas tea held in the Home Ec room. There were refreshments and cookies being served.

The Art Department had displays of table settings and masks made of clay set up in the Home Ec room also.

The night seemed to be a good turn out and everybody enjoyed themselves.
