# MORE EVENTS

"I don't have enough time!" "Can't we postpone this until tomorrow?" These were some common phrases heard among CHS students this year. Why the big lack of time? EVENTS, of course! Elementary Sports ... Jr. High Sports ... High School Baseball, Basketball, and Volleyball ... Cheerleading ... FBLA/FHA Club Activities ... Carnival ... Homecoming ... The Jr. High History Trip to Jefferson City ... Music and Art Programs ... Industrial Arts Contest ... Book Fair and Young Readers' Day ... Halloween and Christmas Celebrations ... Spirit Week ... Dances ... Assemblies ... Pep Rallies ... Bake Sales ... Showing support for the troops in the Middle East by making and wearing yellow ribbons ... What a busy year!

One constant complaint heard by CHS students was "It's too hard to juggle all the school activities plus do your homework, we never have any time left over!" However, CHS students wouldn't have given up those events for anything. Those were the occasions that made all the great school memories.

CHS students always found excuses to go anywhere with their friends. Many students eagerly volunteered to leave class at any given time to help prepare for about any school activity.

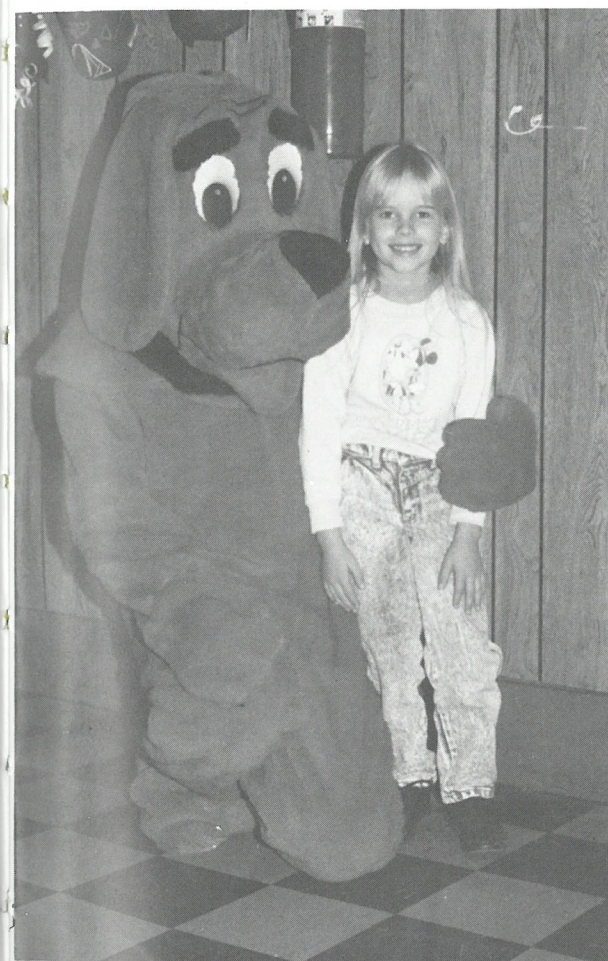

Chadwick's events kept everyone involved this year. Because of the small enrollment, students attended most every activity due to involvement or responsibility at that activity. Everyone was like a large family and the activities and events here at Chadwick were very important in the lives of the students as well as to the whole community.

# MORE FUN

If we had to define the year in one word, what would it be? FUN, of course! Everything was fun . . . Almost everything that is. Chadwick students were always on the lookout for new ways to entertain themselves. Visiting in the halls with friends and teachers while downing a morning soda from the new pop machine seemed to kick off CHS days in the right direction. Even the dreaded Monday mornings had a turn for the best after hearing about everyone's weekends.

From Monday mornings until Friday afternoons there were various fun activities happening here at CHS. The class . . . well, most students would agree that in all the time reserved for assignments, lectures, notetaking, experiments, projects and tests there were always a few minutes taken out to laugh about something or someone. Jason Gilbert recalls Micky Walker putting on one of his "shows" as being a highlight during lunch hour. The assemblies and pep rallies brought about plenty of school spirit and sometimes even the long class meetings put a smile on your face.

The biggest smiles though, were usually seen at the extra-curricular activities. This was a time when we could put our homework aside for a few moments and enjoy a club activity, play practice, ball practice, or a game that you had been looking forward to playing or watching.

It's hard for anyone to imagine just exactly how many things happened here at Chadwick this year. But we hope you can see that there is MORE TO US THAN MEETS THE EYE!

Right: Julie Coffey, Melissa Loomis, and Jennifer Coffey happily take care of the dishes at Victory Mission. The FBLA/FHA volunteered their time to help the mission.

# MORE FRIENDS

Spending seven hours a day, five days a week, and who knows how many years together at Chadwick has brought us all closer. We've spent our time at school trying to come up with excuses for the whole group to be tardy to class, to gang up on teachers in order to get notetaking or tests postponed, or to get homework completed at school by working together.

Everyone was your friend at Chadwick. It seemed as if someone was always there to make you smile, laugh, or just brighten up your day.

During the years spent at Chadwick, many friendships were formed between students. Generally, we spent most of our time with the same group of people due to the size of our school. Whether it was playing on the ball team, attending a club function, watching a ball game, or just working at the concession stand at a game, we could always be found acting silly and crazy with our bunch of buddies.

Outside of school activities CHS pals talked on the phone for hours exchanging thoughts and secrets, played a competitive game of pool, went to see a comical movie, or just "cruised".

Will we still be in touch with our high school buddies in 10 years? Senior Laura Peak said, "I will be just as close to my friends in 10 years as I am right now!" Hopefully, she spoke for us all.

## School Friends

Always together, never apart  
hoping their futures won't  
tear them apart.  
Holding on to all the memories  
within their heart  
eases the fear of that new start.

Below: Senior Tina Hopkins and Junior Marsha Mills show their friendship at a CHS gathering.

Left: Eighth graders, Kevin Jackson and David Wiles, get initiated for FBLA/FHA at the Ozark Park.

Below: CHS teachers Mrs. Henderson, Mr. Long, Mrs. Snider-Gearing, and Mrs. Sanchez, really get into Halloween!

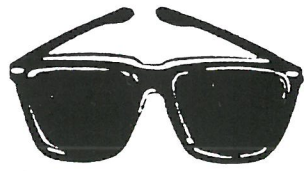

Left: Seventh graders, Chris Anderson and Brett Stevens, really know how to show their school spirit during "Spirit Week". The pair won a prize for having the most spirit.  
Above: Tonya Rozell and Mrs. Sanchez share a joke during math class.

Upperclassmen . . . Upperclassmen . . . Upperclassmen . . .

# MORE POSSIBILITIES

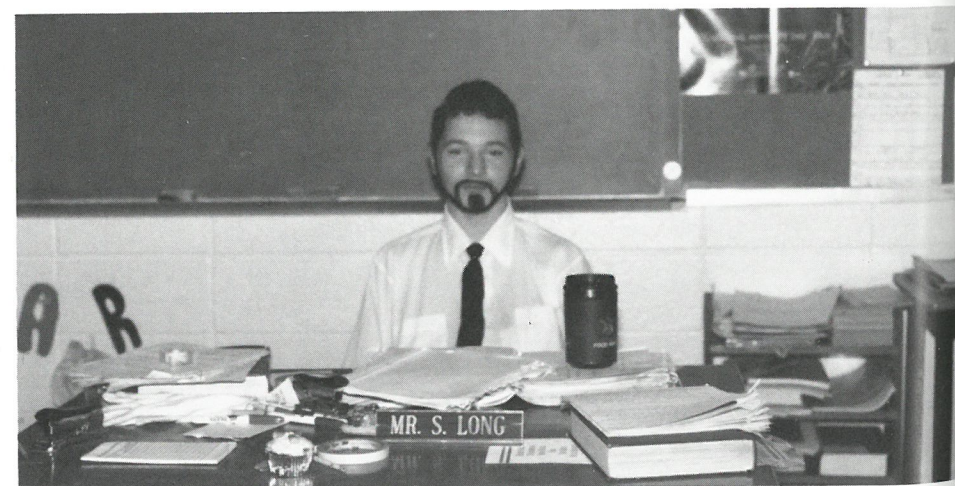

Above: Rueben Parker buys a pop from the school's new machine. This was the first year that Chadwick has had a pop machine and the students think it's great.

Above right: Accounting student, Sara Whitley, gets to count the real thing. Accounting is a very useful class to take and can be used as a career or for personal finances.

Right: Seventh graders Brett Stevens, Jeremiah Cummings, and Josh Gilbert experience their first history class with Mr. Long.

I, Becki Freese, will my steel nerves to Janna Kessinger, to permit her to go in front at the spookhouse. My ability to say the right thing to the right person at the right time to Tina Nalley, Julie Coffey, and Laura Peak who could use it sometimes. Also I will Tina Nalley the time to ride her horse so she can get some more blues, and all the memories good and bad of all those years on the bus go to Julie Coffey, to Peakstreak I leave all those crazy times at the square and finally to my partner in crime, Ton, I leave my ability to decide which guy to go out with and when, and also all of my fond memories (and some not so fond) of our weekends out and in.

I, April Hale, will my amazing ability to drive like a stock car driver and not cause any accidents to get any tickets to Betsy Archer. "These kids are go-getters, and some of them even speak a little Spanish. The current eleventh graders were eighth graders my first year teaching here, and I will always think they're about the "neatest" kids I've ever been privileged to know."

J. Stanley, Librarian

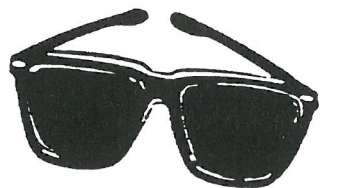

"The CHS sophomores are a lively, witty group of students. For smiles there are Sara, Kim, Laura and Marvin. For peace and quiet, there are Melissa, Greg, and Jo David. For spunk, there are Misty, Raymond, and William. For variety, there are Jason and Jennifer who can be withdrawn one minute and monkeys the next. For the most part, the sophomores are hard-working and pleasant students. Yes, that includes Matt and Derrick!"

## Students Going Computer Crazy

Chadwick students went crazy over computers during the 1990-91 school year. Four new IBM 25 computers were purchased. The students who used these computers learned many things: how to work on them and how to have fun with them. When we asked them what they thought of them, Tonya Smith, and Lisa Phillips replied, "We Love Them".

## 1990-91 Students Enjoy New Gymnasium

The gymnasium was completed and ready to use on the first day of the 1990-91 school year. The ball games were played in the gym this year and everyone felt excited and pleased with it!

## Satellite Spotted Around CHS

EXTRA, EXTRA, read all about it! Due to the Satellite at Chadwick School, the rumor has it that students here are speaking a different language. This satellite has given students the opportunity to enroll in Spanish this year Mrs. J. Stanley, Librarian is the monitor of this program. On Tuesdays and Thursdays they watch the programs on satellite. The other days are used for lessons in class. The students said that it has been a wonderful challenge.

## Going State All The Way

During this 1990-91 school year Chadwick students were given the opportunity to join FBLA and FHA. Fourteen students joined FHA, eighteen students joined FBLA, and ten 8th graders joined. A membership drive was held in August followed by an initiation. Club T-Shirts were purchased with funds made from selling products from the Great American Opportunity Company. Activities held during the year included a trip to Victory Mission, a Christmas and Valentine's Day Party, a Bowl-a-Thon, Career Day, Senior Breakfast, and Banquet.

## Operation Desert Storm 1990-91 Headlines

Of all the events that have taken place during the 1990-91 school year, Operation Desert Storm stands out. On Wednesday, January 16, 1991 the war with Iraq began.

Most everyone knew someone who was involved with Operation Desert Storm and the majority showed support for the troops by wearing yellow ribbons, writing letters, and sending care packages. It was no different at Chadwick.

The General Business and Typing 1 classes wrote letters to any soldier involved in the Gulf war.

Seventh grade, American and Missouri history classes also wrote to any service person involved in the conflict. Several students received responses to their letters. History teacher Mr. Long said that the responses were very appreciative of the support shown by the students.

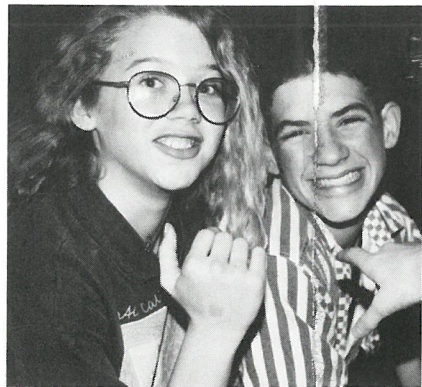

Home Economics teacher Mrs. Morrill made all CHS students yellow ribbons to wear and art teacher Mrs. Snider-Gearing made yellow ribbons with little flags attached for all of the teachers.

Over time memories tend to become less vivid, but we will all remember Operation Desert Storm.

# 1991 Homecoming

The 1991 Homecoming was held on Friday, February 15, in the new auditorium. There was a certain ambience in the air that filled the gym with great expectations of victory.

The night began when the Chadwick Cardinals took on the Bradleyville Eagles in the Jr. Varsity game. The final score was 42 to 39, in favor of the Chadwick Cardinals.

The crowning of the Homecoming Queen took place between the Jr. Varsity and Varsity games. The candidates were: Brandy Maggard representing the Freshman class, Kim Blevins representing the Sophomore class, Janna Kessinger representing the Junior class, and Tonya Smith representing the Senior class. April Hale, 1990 Homecoming Queen, turned over her crown to Tonya Smith, the 1991 Homecoming Queen.

Following the Homecoming Crowning, the Chadwick Cardinals played the Bradleyville Eagles in the Varsity game. It was a close game, but the Cardinals were victorious with a win of 77 to 68.

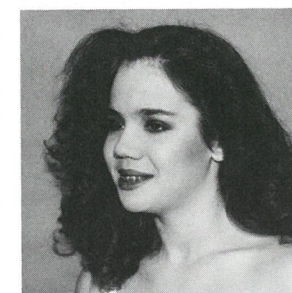

"The experience was really great, especially since it was my senior year. I was really excited about winning and it was great honor to be chosen."

Tonya Smith

"I was proud to be nominated. It was an interesting experience."  
Brandy Maggard

"It was a very exciting night. The whole experience was very enlightening."  
Kim Blevins

"It was a privilege to be a candidate. It was a really fun night."  
Janna Kessinger

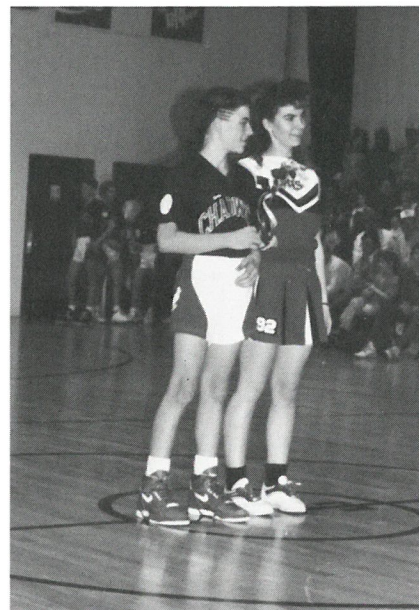

# The Excitement Continues

Seniors Karen Cummings, Laura Peak, Tonya Smith, Benjie Hurd, and James Creson were presented with roses during the Homecoming festivities. They received flowers due to their participation in sports throughout their high school years.

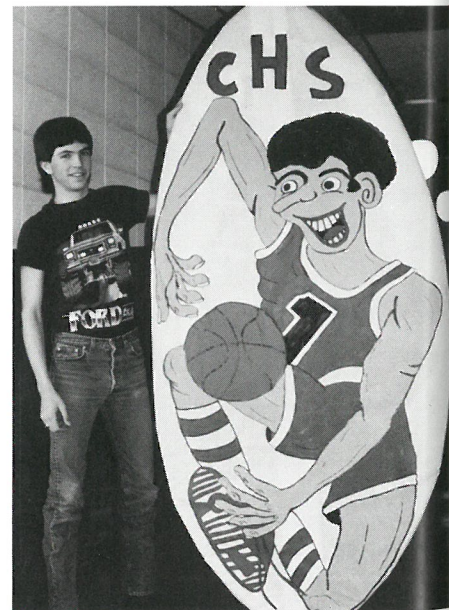

Before tip off of the Varsity basketball game the Chadwick chorus sang "The Star Spangled Banner." Those singing were Tonya Rozell, Jennifer Coffey, Tina Beshirs, Verna Dollarhide, and Twila Thompson.

The Chadwick High School cheerleaders served as the Homecoming attendants. They were escorted by the Junior Varsity and Varsity basketball players.

Here is Randy Dollarhide going up to score 2 of his 34 points during the Varsity game at Homecoming. Following is Benjie Hurd who scored 23 points and Marvin Kinyon with 16 points. Jason Gilbert made 4 points which left the final score at 77-68 in Chadwick's favor.

Micky Walker worked on this picture for two days in his Graphic Designs and Painting classes. Randy Dollarhide jumped through it to begin the Varsity basketball game.

# Prom 1991

April 19 was a hectic day for the Chadwick Juniors and Seniors. They raced through town picking up their dresses and tuxes and fixing their hair to the utmost perfection. At 7:00 the doors of the Sheraton Inn were opened so the Chadwick Prom could begin.

The prom started off with the photographs taken of each couple. For some, these pictures would hold special memories for years to come.

After the couples were seated, they were served a dinner which held a choice of Seafood Newburg, roasted Turkey Breast, and Italian Style Lasagna.

The rest of the night lingered with romantic music and dancing. As everyone danced, it was obvious that their expectations of the evening had been fulfilled.

Top left: Micky Walker is enjoying the company of the ladies sitting at his table. Left: Marsha Ross and Benjie Hurd's smiles reveal the excellent time they are having at prom.

# Art

Both the elementary, junior high, and high school art classes worked hard all year on new and exciting art projects. It really paid off too, because in March, Chadwick students brought home 2 first place, 1 second place, and 1 third place ribbon out of 8 entries. In April, at the Mark Twain Conference Art Show; for the third year in a row, Chadwick was the overall winner in the Conference. In May, three high school students entered art work into the Drury's Young Artist Exhibit and all three were accepted into this highly competitive competition.

## SPIKE THAT BALL!!

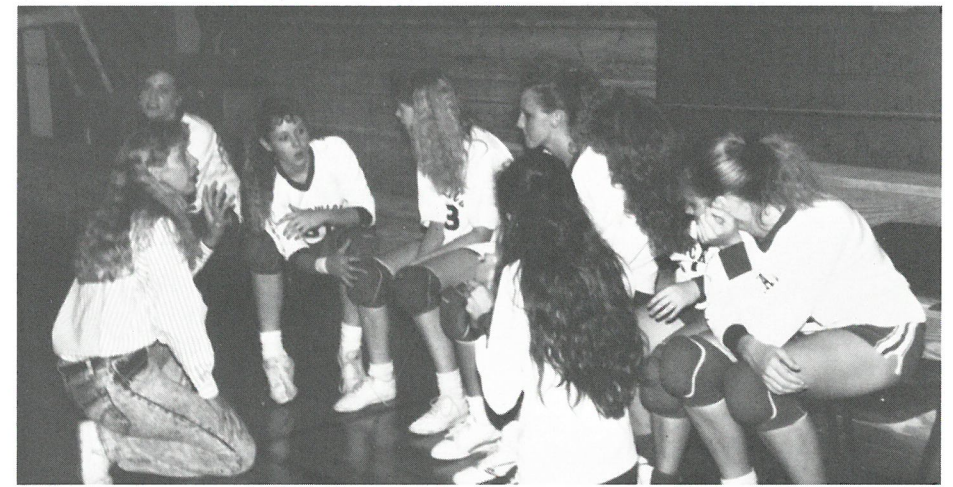

Everyone dreaded the first volleyball practices held in August. "It was hot," said Senior Tonya Smith. Indeed it was hot. The teams had to practice in 95 to 102 degree weather. However, when the first game against Spokane came, the two were pumped up, the heat was forgotten and the soreness had disappeared. Freshman Tonya Rozell said she was nervous playing her first game in front of everybody, but once she got into the ball game she didn't mind. With all the hard work it gave them their first victory.

The two teams had a season filled with both wins and losses, but the Varsity had a majority of wins with a record of 9-7. Four players went out with honors. Laura Peak and Julie Coffey received First Team All Conference honors. Karen Cummings and Stefanie Weter received Second Team All Conference honors.

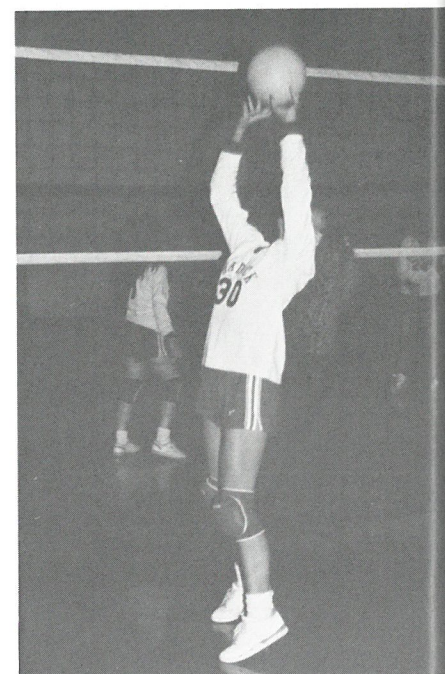

Senior Laura Peak commented, "Even though our record didn't show it, we had one of the best teams around. When our offense was in action, we were unstoppable."

# BasketBALL

## SMALL BUT MIGHTY

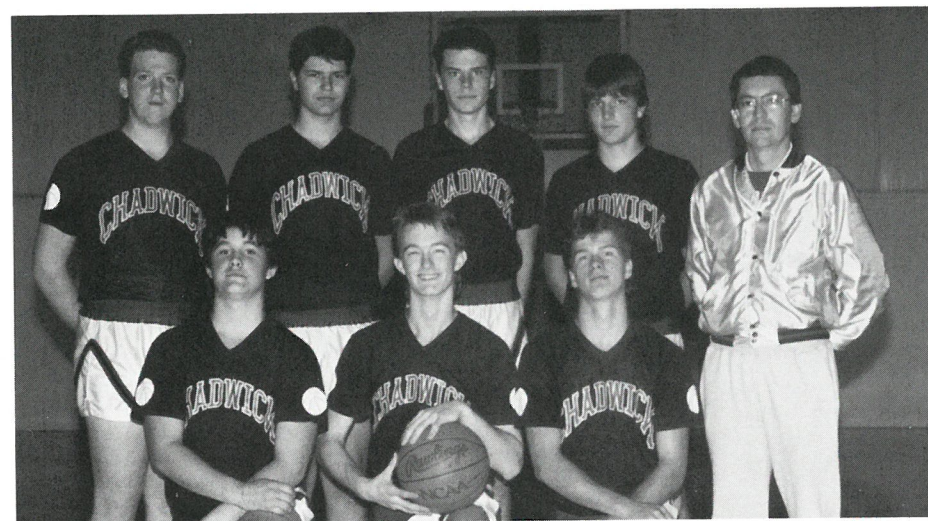

The Varsity basketball team started the year off with eight straight wins in a row. After their winning streak the Varsity team placed fifth in the Seymour tournament. The team played in the Spokane tournament and placed fourth. During the year the team had a win loss record. At the end of the year districts were held and the first game was played against Galena. After beating Galena the team had to go up against Blue Eye. The crowd was on their feet throughout the whole game, which was neck and neck up until the very last second. Blue Eye won by only one point but the Varsity team played their hardest throughout the whole game. The team ended the season with a record of 17-8.

The team had one Junior and three sophomores move up to Varsity this year. They proved to be a good team by winning most of their games and winning the conference title. The team is expected to do well next year as the team is losing only two Seniors, Benjie Hurd and James Creson.

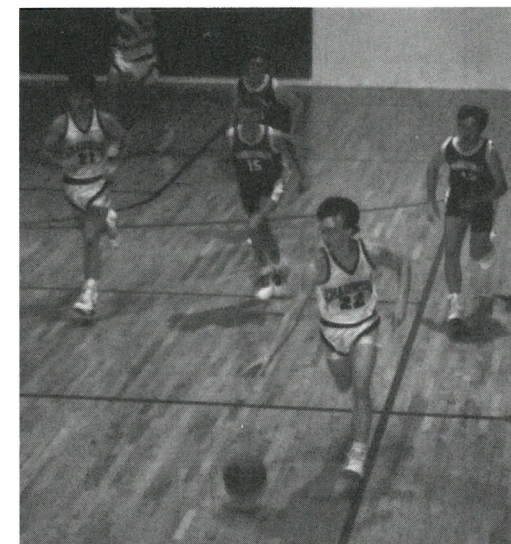

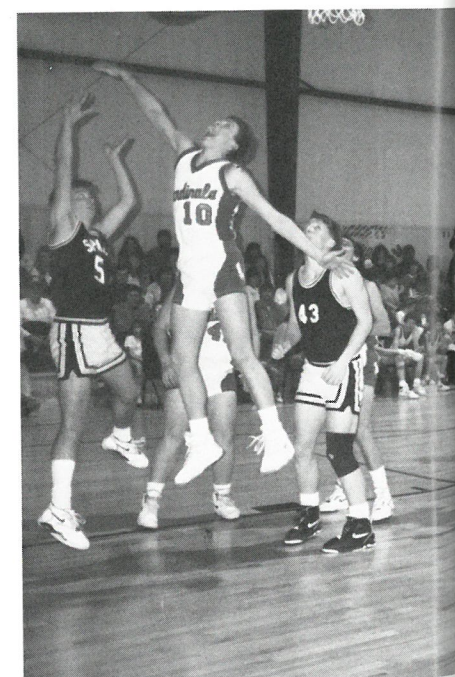

The Junior Varsity also had a very good season with a record of 7-4. They had some tough teams to beat but they worked hard and came out ahead and beat most of the opponents.

# CheerLEADERS

## SHOW SOME SPIRIT

Who could you find sitting in the gym after school, eating candy bars and drinking pop? The Varsity Cheerleaders of course. The Cheerleaders started a typical practice this way talking about the past school day. The rest of practice was spent working on cheers, chants and the dance.

This summer the cheerleaders attended the National Cheerleading Association Camp at SMSU. It was held for four days. The Cheerleaders worked hard and received two superior ribbons and four excellence ribbons. The camp instructors taught new cheers and dance motions which were perfected and performed at basketball games.

The Cheerleaders had bake sales and sold different items to raise money for Homecoming. The Cheerleaders decorated part of the bleachers to be used for the Homecoming Royalty.

The team worked hard all year and did everything possible to be the best they could be.

Avaline Harris was the Cheerleader's sponsor and she helped them with everything they did. She was a great help and the Cheerleaders would like to thank her.

# SoftBALL

The baseball team had a fall season with a record of 1-4. They also played during the spring and finished the season off with a record of 1-5. The team did not have a winning season, but they said they all had fun playing. The team hopes to have a team next year.

The team's leading hitter was Randy Dollarhide with a .400 average. Raymond Stevens was next with a .313 average. Marvin Kinyon averaged eight strikeouts a game, pitching.

Softball was also played during the spring. The girls finished the season with a record of 0-4. The girls always managed to have fun playing and didn't mind losing.

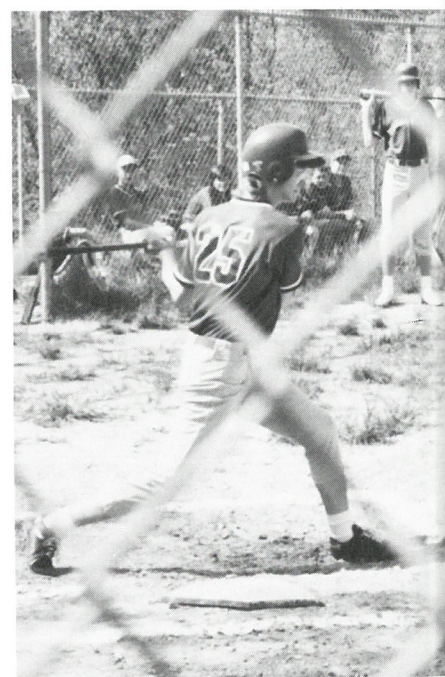

Coach Arleigh Long comments, "Due to poor weather conditions and schedule problems, we only played four games. The last of which was our best. We lost to Hurley in the bottom of the seventh inning 21-20. Even though we didn't win any games, we had a lot of fun. Tonya Smith, Laura Peak, and Tina Nalley hit home runs this year. Lisa Phillips led the team in sacrifice hits."

# JUNIOR HIGH

## S P O R T S

The Jr. High this year had an A and a B team. The two teams did very well with records of 6-2 and 3-2. They worked hard and wanted to win. Their plain old-fashioned hustle helped them win most of their games.

The A team consisted of only six players, so every player had to hustle and be ready throughout the whole game. The B team didn't play very many games but went out and played hard each game.

The Cheerleaders were an enthusiastic group this year. They held cheerleading practice whenever possible to learn new cheers and chants. The Cheerleaders learned a new dance and performed it at a pep-rally and at most of their games.

The Cheerleaders elected Daphne Walker as Captain and Tessa Nalley as Co-Captain. They said the Cheerleaders had a very good year and had lots of fun. They are looking forward to next year.

Benjie Hurd was selected Most Valuable Player from six conference teams. His excellent leadership skills plus his offensive and defensive skills helped him achieve this honor.

Benjie received the Honorable Mention award his Junior year and his Senior year he received First Team All Conference Award.

Benjie had a goal to win conference and he led his team to achieve this goal. He was de-

termined to win and he did.

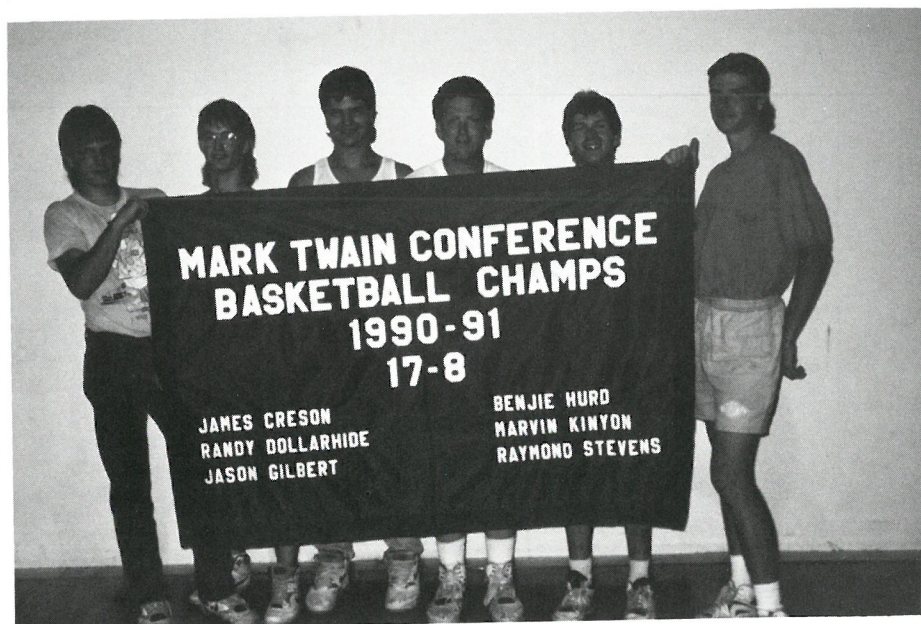

"I didn't think I would get it, so it was a surprise," commented Benjie.

"Without Benjie's leadership and hard work, we would have never won the conference." Coach Terry Jester

This year the fifth grade has been busy. They have learned long division, fractions, and memorized the 50 states. Also the class participated in the Pizza hut Book-It program and Book Bucks in the library. They have enjoyed exchanging letters with their Pen Pals at the Escuela Del Sol School in Albuquerque, New Mexico. For National Young Readers' Week, the class wrote an original story about how the library got its name. The class trip was also an exciting adventure for the fifth grade. They visited the Ralph Foster Museum and the Fish Hatchery.

# David Ellsworth Retires After Sixteen Years Of Service

Mr. David Ellsworth began the job as administrator at Chadwick School in the beginning of the 1975-1976 school year. Now, 16 years later, he has decided to retire from his role as a school administrator and pursue other interests.

Mr. Ellsworth was born in Sheridan, Wyoming in November, 1928. He attended different country elementary school in Polk county and graduated from Humansville in 1946.

From there, Mr. Ellsworth served in the Army for 18 months in the years of 1947-1948. After spending time in the Army, he attended a bible college in Bolivar until he transferred to SMSU where he finished his undergraduate studies in 1954. He went on to get his masters degree at the University of Southern California in 1958.

Mr. Ellsworth married Betty Harper on July 31, 1954. They had two daughters, Betty Marie who was born in 1959 and Kathy in 1964.

In the years prior to the administrator's position at Chadwick, Mr. Ellsworth has had many years of educational experience. He taught in Missouri for 3 years, then in California for another 5 years. He was promoted to the position of vice-principal in a junior high school in Garden Grove, California, then to principal of two elementary schools also in Garden Grove. Next, he took a job as deputy superintendent of Orange County Schools near Los Angeles.

In 1969, Mr. Ellsworth moved back to Missouri and bought a Western Auto Store in Neosho where he remained until 1975 when he came to Chadwick.

During his years at Chadwick he upgraded the curriculum and provided for the necessary improvements.

Mr. Ellsworth, along with the board, supported the bond issue which passed, that provided moneys for new art and math classrooms and added space for the shop and offices.

Under the leadership, our school achieved and maintained a AA classification. He hired a principal, counselor, and a librarian as well as added new class offerings for the students.

Mr. Ellsworth ordered new furniture for classrooms, put new ceilings in all rooms, and provided extra rooms so combination classes were no longer necessary. The textbooks were updated regularly and the business room equipment as necessary. He provided several computers, TV's, VCR's, and copy machines for both the high school and elementary use.

Mr. Ellsworth offered many programs for teachers. He laid down the groundwork so our teachers could participate in Career Ladder Opportunities and also put in teacher/employee health insurance.

The Kindergarten Graduation was started by Mr. Ellsworth which has been a great experience for the students.

Mr. Ellsworth will be missed very much at Chadwick. We all wish him and his family the best of everything.
