Another year of memories is behind us. It didn't take as long to pass as we first thought it might. The staff of the 1992-93 Show Me Yearbook tried to capture the most memorable moments during the school year.

Using the theme, "We've Got the Look", in the following pages you will be seeing many of the activities in a typical school day.

Each day began with students rolling out of bed at about 7 o'clock. Many students would admit that they quite frequently pushed the snooze button for an extra 10 minutes of sleep. Once they finally hit the floor, it was a non-stop run to get to school before the tardy bell rang.

Students' schedules provided a variety of classroom activities throughout the day. At almost any time, you could find CHS students trying to solve complicated algebra and trig equations, composing essays, dissecting specimens, completing shop projects, or making and decorating cakes.

During Drug Awareness Week students expressed the importance of staying drug free by participating in daily activities for an entire week.

Many of the students were also involved in sports which took up many hours of their time due to practice and games. Those who were not involved in sports followed their team and supported them throughout the season.

Students lacked spare time because there was always something to plan for such as Prom, Homecoming, and Graduation.

Most Chadwick students would agree that the year was fun and there were many parts of it that will never be forgotten. They can definitely say, "We've Got Some Great Memories."

HOLD ONTO THE MOMENT

Single file yet together
We have shared our greatest days
And we carry common memories
In different ways

Though we don't know where we're
going
We will cherish where we've been
I want to cry, I want to shout
Want to let this feeling out

Hold on to the moment
Let the feelings show
Hold on to the moment
Never let it go

I can picture us together
With my arms around my friends
Just let me hold on to this moment
Before it ends
There was laughter. There were tears
Through the dozen golden years

SENIORS

CLASS OF 1993

SENIOR WILLS

I, **Matt Coffey**, of twisted mind and out of shape body hereby will my ability to be popular, cool, loved, respected, intelligent, caring, compassionate, good looking, and modest to no one, because there is nobody left who would know what to do with all that.

I, **Misty Fintel**, will my ability to eat greasy, fattening, and non-nutritious food all the time to Mrs. Horton, because she deserves a break for all her hard work on that diet. To Tonya Rozell, I leave one of the things I love the most, my favorite color green, and you better treat it good! To my brother and sister I leave my ability to have the teachers on my good side most of the time. To the classes of '94, '95, and '96 I leave my ability to stand up and fight for what I believe in, and remember never be afraid to state your opinion. To Mr. Long, Mrs. Horton, Arleigh Long, and the class of '93 I leave all my good times at C.H.S. because you all made that possible.

I, **Jason Gilbert**, will first to Terry Mitchell the ability to keep a girlfriend for longer than a month. To Biceps (Travis Smith) I give the ability to bowl a game higher than 100, and the ability to drive through Burger King drive-thru backwards. To Josh Gilbert I will the ability to find the girl of his dreams. To Justin Gilbert the ability to grow a few inches in the summer, and to Jeremy Gilbert I will my basketball ability, what little I have. To Sara Whitley I will, mainly to get her to stop bugging me, the ability to go to Springfield and not get into a wreck. And to the rest of the Chadwick School I will the sense enough to stick to it and stay in school, trust me it is over real quick and it isn't as bad as it seems.

I, **Marvin Kinyon**, will my ability to play basketball to Jack Guerin, my ability to stay out of trouble to Brett Stevens, Josh Gilbert, and Tyson Blevins, my ability to drive to Sara Whitley and Lisa Herd, and I will all my good times at CHS to my girlfriend Tamara Thurman.

I, **Donald Lee**, will to Terry Mitchell my ability to get a girlfriend as old, or older than myself. To Tamara Thurman, I leave the ability to control her vicious little temper. To Brandy Maggard, I leave my ability to be nice. And everything else, I don't care because I won't be here anyway.

I, **Melissa Loomis**, will my ability to type to Jason Gilbert. I will all of my most memorable times I have had to the Senior class, and to all my best friends I will a life long friendship. To all the Juniors I will a great senior year.

I, **Laura Nelson**, will to the Freshman gym class my ability to be as slow and out of shape as I am by the time they are seniors. To Shelly Maggard I will my ability to not have a wreck by the time she's a senior. I will my ability to relax and not worry so much to Andrea Smith. I will tickets to a Garth Brooks concert to William Peak and Matt Coffey. To Arleigh Long I leave a cold cheeseburger.

I, **William Wayne Peak**, leave the following to the poor souls left at Chadwick High. The ability to be on time for any class, never skip, never talk back, be as nice as can be, do all work, and go the extra mile to get the A. But if I had learned any of these abilities I would have left them.

I, **Derrick Reynolds**, leave nothing. I'm taking it all with me.

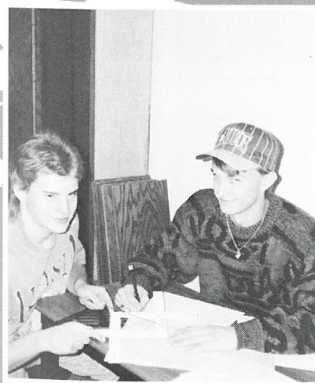

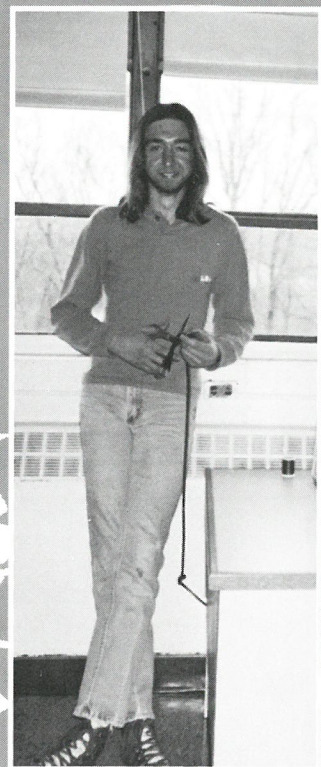

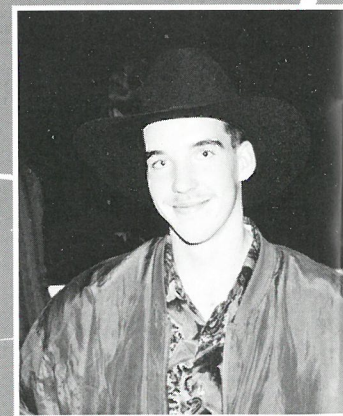

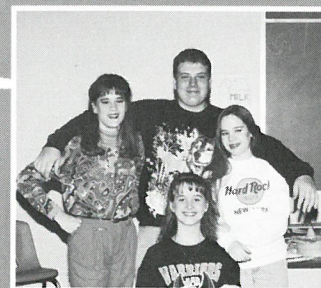

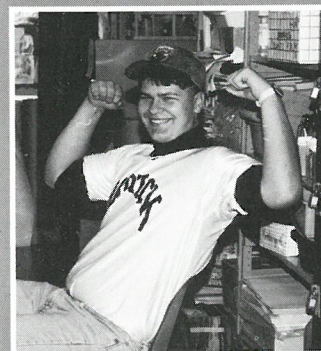

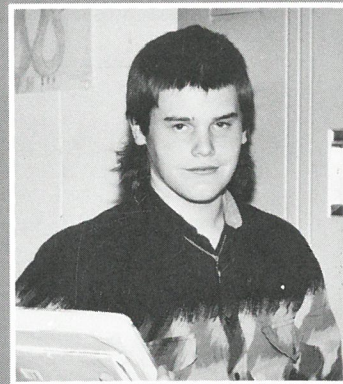

I, **Greg Stevens**, will my ability to have "FUN" to no one because I'm taking it all with me.

I, **Raymond Stevens (Norm)**, will my ability to do what I want in shop classes to Jack Guerin (The Man). My ability to goof off in ball practice to Travis Smith. To Mrs. Horton, Mr. Long, Mr. Countryman, and Coach Jester I leave all the good time I had at C.H.S. To Mr. Mease I say: Take a break, GO FISHING.

I, **Jason Stutesman**, will to Terry Mitchell my ability to lay black marks pulling out of the parking lot every day. To Harold Rousseau I will all of my Garth Brooks tapes, so he'll have something good to listen to. To all of the Juniors, I will back all of the homework papers I copied from and never gave them back. Finally to all FORD drivers, I will the tailgate off of all the CHEVY'S, cause that's all they see of them, anyway!

I, **Rebekha Watts**, will the Junior Class the ability to work and sleep all the time.

I, **Joe David Weter**, will my ability to skip school and be tardy to the Junior Class. I will my ability to own a Ford to Jack Guerin.

I, **Sara Whitley**, will my ability to keep from pulling down everyone's shorts in P.E. to Brandy Maggard. I leave those sad songs (Love Song) we sang on the V-ball bus to Tamara Thurman. To Tonya Rozell my closest friend, I will a lifetime of everlasting friendship and as many good times to come as we have had in the past. To Kim Blevins I leave those great times we had in Jr. High (SDC and midnight walks) and the great times we are going to have in college. And to the Class of 1993 I leave all the great memories we've had in school to those to come in the future.

I, **Eric Wilson**, leave my ability to spend four hours with Mr. Countryman to Jack Guerin. I leave everything else to whoever wants it.

Chadwick School Holds Mock Presidential Election

STUDENT BODY ELECTION

The Current Events Class held a mock election. The turnout was a great success with 110 registered voters and 105 casting ballots. The Christian County Clerk provided the class with actual voting booths.

FIRST FOREIGH EXCHANGE STUDENT AT CHS

Tomomi Okado was Chadwick School's first foreign exchange student. Tomomi is a seventeen year-old junior. She came from Tokoyo, Japan to attend school, for a year, at Chadwick School. Tomomi says that she has learned quite a bit from living in the United States and going to school at Chadwick.

Tomomi said that the school here and the school she attended in Japan differ quite a bit. In Japan, Tomomi goes to an all-girls school where students are not allowed to wear earrings or have perms. Students do not get to select their own classes either.

The things that differ most from living in Japan and living in the U.S. is that in the U.S. people use cars much more, in Japan they use trains or they walk. There is also a much lower crime rate in Japan than in the U.S.

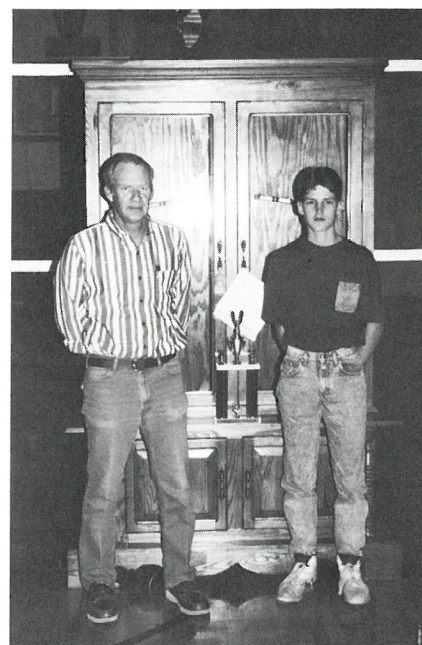

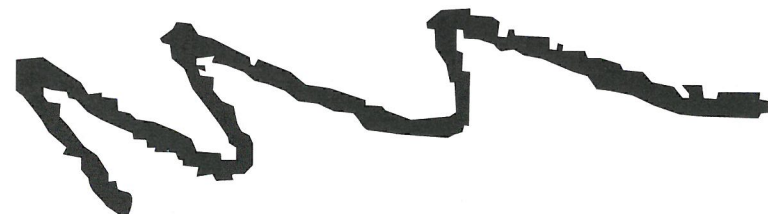

On the weekends, in Japan, when Tomomi and her friends go out they do basically the same things that teenagers in the U.S. do. They may go shopping, see a movie, bowling, or they go to parties.

In Japan, Tomomi lives with her mother, father, sister, grandpa, grandma, and uncle. Tomomi's father works in a major department store, while her mother is a government official.

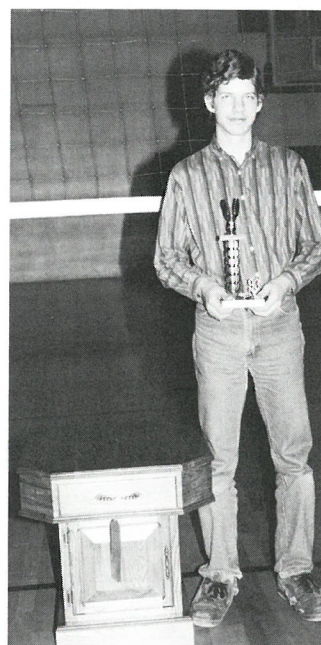

The times Tomomi will remember the most about being at Chadwick are Christmas and Halloween. Halloween is not celebrated in Japan, and she was sure surprised when she saw us. There is a type of Valentine's day in Japan also, except the girls get gifts for the boys.

Chadwick School felt very privileged to have Tomomi as our first foreign exchange student. She learned a lot by living here and we also learned a lot from her. We will miss her very much.

The Yearbook and Newspaper Staff organized and published three newspapers this year and the 1992-93 Chadwick Show-Me Yearbook.

At the beginning of the year the staff decided that the theme of the yearbook would be "We've Got the Look". The staff tried to create a book that would help students, parents, and teachers remember all the fun and exciting events that occurred during the school year.

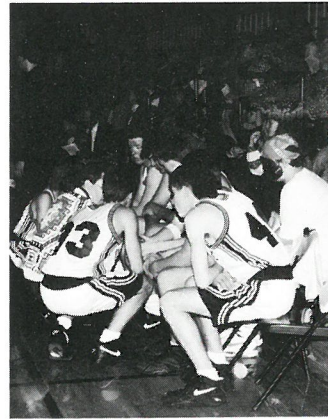

The staff had to work under different circumstances this year in the creation of the yearbook. This was the first year that the yearbook was created on the computer. At first it seemed difficult to draw layouts on the computer, but as the year progressed it became easier for most of the students. Most of the staff would now agree that there are many advantages in using the computer when working on the yearbook.

The staff members hope that you enjoy looking through this yearbook. We hope that it will help you remember all the great times during the 1992-93 school year.

The Lady Cardinals Varsity Volleyball team developed a new look this year that the players found to be an exciting challenge and look forward to continuing next season. The lady Cardinals record is somewhat deceiving. They played many tough teams giving most a competitive game. The best game of the year was probably the victory over Sparta, and they gave Seymour and Clever the scare of their lives. The Lady Cardinals had Six players who made the first and second team all-conference and played well enough to receive Conference Co-Champs.

If you thought the team didn't do so well just ask some of the players. Many of the players said it was their best season and many said they loved playing and would hate to leave. All and all the season was a big success and the players and fans are looking forward to next season.

The J.V. team did not have all the hype that the Varsity had, but this doesn't mean they were not as intense. They played competitively against some tough teams. The intensity they had was as strong as anyone's. Everyone looks forward for next year and hopes for another good season.

Varsity Basketball

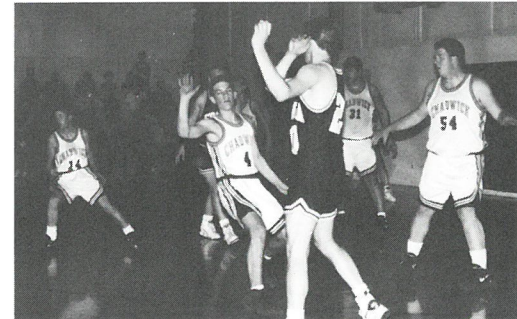

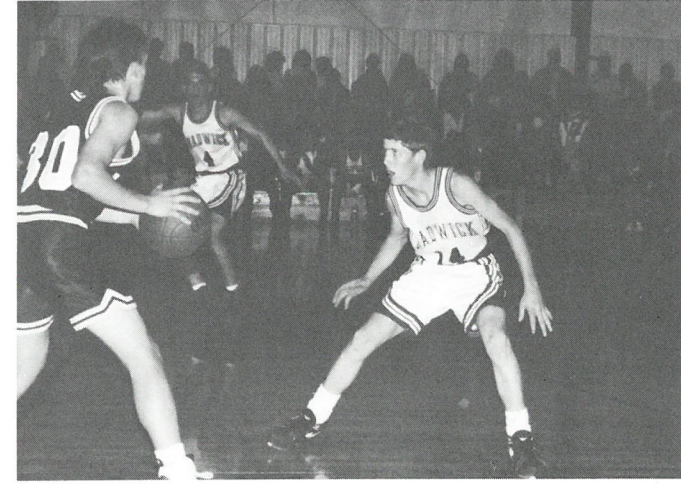

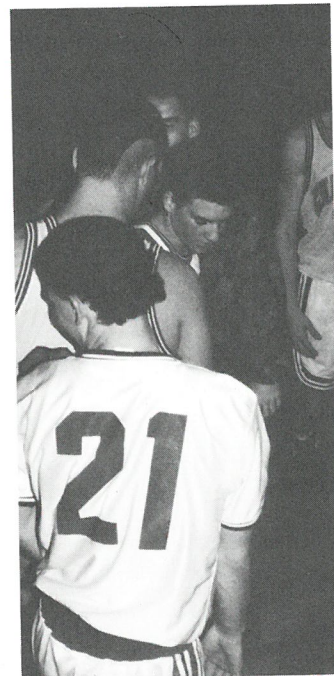

The Boys Basketball Team this season had several notes worth mentioning. The Cardinals finished the season with a record of 14-10, 3-2 in Conference play and finished 2nd in district play. The varsity team consisted of Raymond Stevens, Jason Gilbert, Marvin Kinyon, Terry Mitchell, Reuben Parker, Marvin Guerin, and Don Lee.

The team posted good numbers and here they are: Kinyon averaged 23.3 points per game (p.p.g.) and 11.7 rebounds per game (r.p.g.), Stevens averaged 6.9 p.p.g. and 8.2 r.p.g., Gilbert averaged 8.4 p.p.g. and 7.0 r.p.g., Mitchell contributed 8.7 p.p.g. and shot 50% from down town (3-point line), Guerin averaged 6.5 p.p.g., 7.1 assists, and 4.8 steals, Parker averaged 4.6 p.p.g. and 3.8 rebounds and Don Lee netted 1.3 p.p.g. and 2.3 r.p.g.

When asked about the season most of the teammates said it was a good year but there were times when you would think you were watching two different basketball teams one would show up to play and the other would just show up.

Junior Varsity Basketball

This year the Junior Varsity team had a very good year, their record was 11-3. You look at that record and it tells you how well the team did. They started off rocky losing 3 of 6, but two of the loses were by one point. Then they regrouped and got back to the basics and destroyed every opponent by an average of 20 points a game. Except for the game with Sparta, long time rival, which they won by one point as Jack Guerin hit a shot with 10 seconds left on the clock. The boys played well this year and look forward to next year and some even look forward to some varsity play.

The team consisted of back row: Dusty Smith, Chris Eads, David Wiles, Kevin Jackson, Joey Wiles, George Dotson, Josh Gilbert, and Coach Terry Jester. Front Row: Joey Sartin, Mark Loveland, Shawn Hollon, Jack Guerin, Travis Smith, Jeremiah Cummings, Daniel Dotson, and Brett Stevens. Not Pictured Chris Anderson and Curtis Anderson.

Lady Cardinals Volleyball All-Conference

The Lady Volleyball Cardinals received high honors this year with 6 players named to the All-Conference team. There were three First Team and three Second Team players chosen. Kim Blevins, Tamara Thurman, and Andi Wilson were the three named to the Second Team and Sara Whitley, Tonya Rozell, and Brandy Maggard were the three named to the First Team All Conference Team. We are very proud of these young ladies and hope to see more All-Conference players come out of Chadwick.

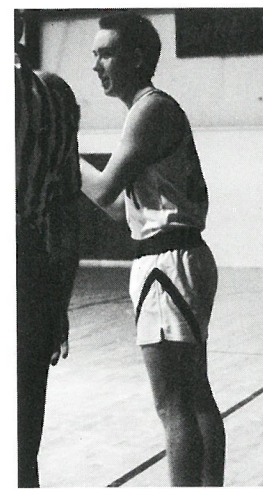

Chadwick Boys Basketball All-Conference

This year the boys basketball team had three players receive M.T.C. All-Conference honors. These three players were Marvin Kinyon, Raymond Stevens, and Marvin Guerin. Marvin Kinyon received First Team All-Conference, Raymond Stevens and Marvin Guerin both received Honorable Mention. Kinyon also graced the hardwoods at the time of district play receiving First Team All-District.

Lady Cardinals Basketball

This year was a learning and building season. The team consisted of two seniors, one sophomore, and five freshmen that had very little varsity experience. At the beginning of the season they were supposed to play at a Junior Varsity level, but for some odd reason the only J.V. they played was Sparta. Because of the tough schedule and the way they played you would have to say they improved their skills and never lost their intensity, even when facing a formidable opponent. They look forward to next year and what is supposed to be another J.V. schedule.

"SAVE OUR SCHOOL" Contribution Program Success

In December, 1992, Chadwick R-1 School Board appointed a contributions committee to direct and coordinate a contributions program for the purpose of increasing ending fund balances for the 1992-93 school year. Due to decreased State and Federal Forest funding the district was classified as financially stressed under a new law enacted in 1992. It was the goal of the district to

end the 1992-93 fiscal year with a balance in the general and teachers funds of approximately \$28,988.00 (3% of the previous year's expenses in these funds).

The contributions project has been widely supported both inside and outside the district according to contributions committee chairman, Jerry Rozell. Rozell said, "as of May 25, 1993 the balance in the Contributions Fund was

\$24,442.98.

Members serving on the Contributions Committee were as follows: Janet Boon, Janice House, Joel Blevins, Diane Guerin, Bert Grove, Marie Day, Jerry Rozell and Ronald Wagner.

According to Superintendent Wagner, "he is very pleased with the tremendous community support received by the school which shows their definite commitment of doing ev-

everything possible to maintain education at a high level in the Chadwick district.

The purpose of the contributions fund as established in the board minutes is to maintain education, to the extent possible, at the level of the 1992-93 school year and to maintain a fund balance to comply with Missouri Senate Bill 581.
