Dear Christopher,

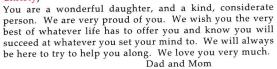

Congratulations! It's been a long road but you hung in there. I remember you didn't want me to take you on your first day of school because you were afraid I would cry and embarrass you. I guess no one told you mothers cry even harder on your last day of school. You've worked hard and I'm so proud of you. You have the intelligence, talent and ambition to be anything you choose. Just keep that wonderful sense of humor and you'll always come out on top.

PAST TIME:

It's been a long road but you've made it. I knew you would when you set your mind on something you don't give up. Just remember when you go out into the world where home is and don't think twice if you need a place to get it together again. Don't forget God and try to remember that faith as small as a mustard seed can move mountains. 'No one fails until they've stopped trying but sometimes you might have to change course. Sometimes we set goals that become unrealistic or undesirable. There's no crime in changing your mind but there is in giving up. We love you and wish you all the luck in the world.

CHS STUDENTS TAKE 5

Let's Take-5 to discuss what was new and different at Chadwick School during the 1994-1995 school year.

Students were able to participate in new clubs and classes with new teachers and students. Students were able to use a new pay phone. The biggest change during the school year was the new 5-minute break between classes.

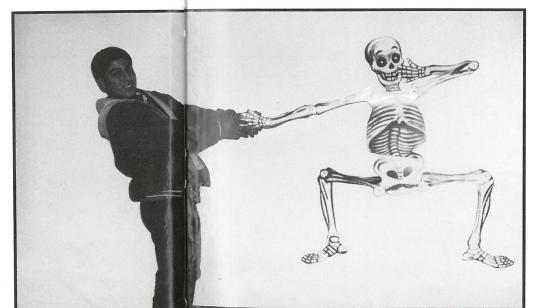

The 5-minute passing time turned out great. Students had more time to get ready for their next class and even visit with friends.

The year was busy and went by fast. With a few unexpected occurrences, 1994-1995 will definitely be a year to remember.

Students, teachers, administration, and staff members at Chadwick always had time to TAKE-5

LADY **CARDINALS VOLLEYBALL** 1994-95

BUMP SET KILL!

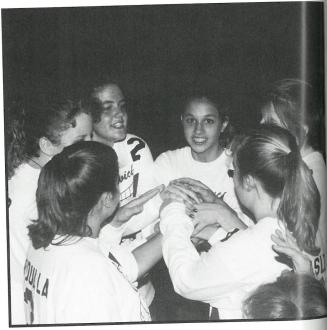

The Lady Cardinal's Volleyball team got off to a rough start with a novice coach and a young varsity team. The JV players were hesitant and inexperienced to begin the season, but then a senior P.E. major from Evangel named Kevin Lancer came to our rescue. Kevin was a seasoned volleyball player himself and was able to show our teams new maneuvers and routines, and practiced to improve the plays the girls already knew.

The JV team shaped right up and started winning in streaks, and the young varsity team really shined with some impressive moves and displayed several promising star players for the future. Although the Lady Cardinals finished the season with a rough 50-50 win-loss, I want to warn our rivals to look out in the next few years because Chadwick is going to burn up the volleyball nets.
