I'm very proud of you. I am honored to have you for my daughter. You are a loving young woman with a wonderful empathy for everyone you encounter. Always remember these two things; that kindness is the basis of dealing with people and all of Gods' creatures. And never be just another brick in the wall.

Love you,

Mom

The Chadwick Lady Cardinals went 12-13 this season and finished tied for second place in the Mark Twain conference standings.

In a conference coaches pre-season poll the Lady Cardinals were chosen to finish in sixth place in the MTC. Chadwick finished with twice as many wins as one pre-season publication predicted.

"We accomplished a lot of things this season that some people didn't think we would," coach Blaue said. "It is always nice to surprise people and have a better season than they thought you would."

Some highlights for the Lady Cardinals were finishing third in the Lutie Tournament, winning the consolation trophy in the MTC Conference Tournament, and finishing tied for second in the MTC standings.

Chadwick Schools build new Multi-Purpose Building

There was a new building built at Chadwick School this year called "The Multi-Purpose Building". It was built to replace what was lost due to the old gym being tore down due to roof problems. The building was approved in January of 1995, and is being paid for through a lease-purchase program. Construction began over the summer and was completed close to the end of the school year.

The new building is located directly behind the present school building. It is accessible through the lunch room. This insures that it will be easy to go between the building and the school in the winter months. The muti-purpose building will be used for various activities, as the name implies. It will soon have a basketball floor with goals. The building already has a stage, and two restrooms, and also two classrooms. It will be used for ball practices, plays, elementary recess, P.E. classes, and various community projects.

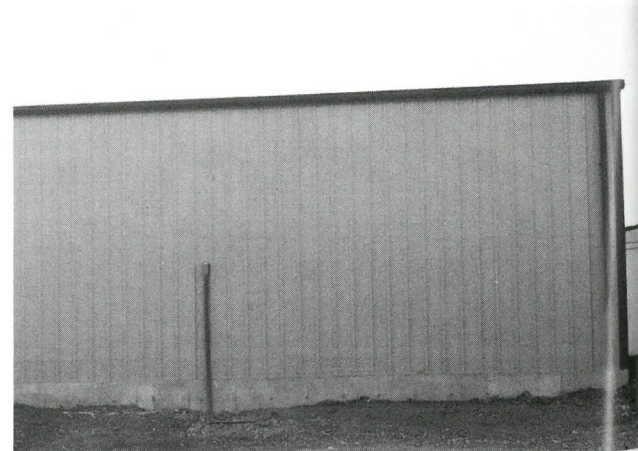

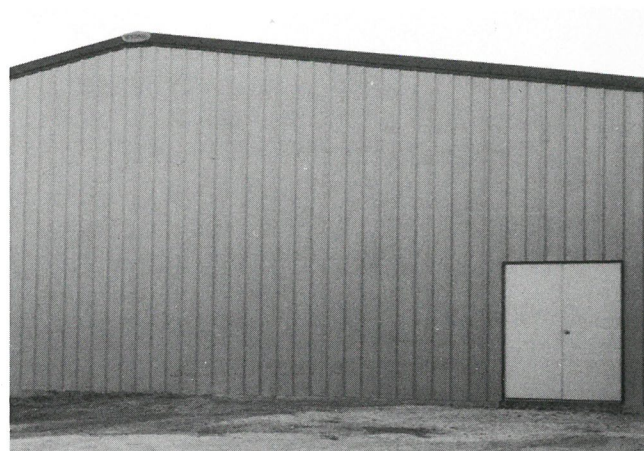

Principal Terry Beasley said that he thinks the new building will help a lot. He said also it will reduce wear and tear on the gym.

Waiting and Wondering

The theme of the 1995-96 Chadwick High School Yearbook was "Waiting and Wondering." The theme was carried throughout the book by use of artwork, copy and page headings.

The yearbook staff would like to thank Jostens for their assistance in the preparation of this yearbook. Formal Photography was provided by Baldwins Photography in Springfield. Candid photos were taken by staff members. A special thanks to the administration, faculty, staff, and students for their contributions, cooperation, and support.
