## Chadwick holds Homecoming

by Amber Townsley

Homecoming was held February 17, 1996 against the Bradleyville Eagles. Chadwick came out on top with victories in all three games.

Senior Daphne Walker was crowned Homecoming Queen. Daphne was escorted by junior Tyler Walker. Daphne was crowned Queen by last year's winner Christal Gilbert. Christal was escorted by junior Justin House. Other candidates running for queen were seniors Tessa Nalley, escorted by Jeremiah Cummings and Brandy Maggard, escorted by Chris Anderson.

The Homecoming court consisted of flowergirl Britany Jones and crownbearer Justin Holt. Attendants participating in Homecoming

were: junior Amber Townsley escorted by senior Joey Wiles, sophomore Terrah Little escorted by sophomore Addam Kelly, and freshman Jessi Adams escorted by junior Juan Villarreal.

The Queen coronation was held between the boys junior varsity game and the boys varsity game. Following the varsity game the annual Homecoming dance took place in the gymnasium. Also after the varsity ballgame an alumni reception was held in the cafeteria.

In the boys varsity game the Cardinals defeated the Eagles 81-69. In the boys junior varsity game Chadwick beat Bradleyville 76-33 and in the girls game the Lady Cardinals took the victory over the Eagles 64-33.

**Senior Daphne Walker was named Chadwick's Homecoming Queen at the Homecoming ceremonies held on February 17. Daphne was escorted by basketball player Tyler Walker. In the boys varsity basketball contest Chadwick defeated Bradleyville 81-69. The Lady Cardinals also defeated Bradleyville 64-33.**

## Dare Program introduced to Chadwick sixth graders

by Erick Smith

This year the sixth grade class was introduced to the DARE (Drug Abuse Resistance Education) program. The program started the second week of school and ran until Christmas.

The program consists of a DARE officer coming into the classroom and speaking to the students about drugs and the different ways they can harm your body. The DARE officer also helped students with possible ways to say no if they are ever offered drugs or pressured into accepting drugs.

Corporal Lenny Frank was the DARE officer who worked with the sixth grade class. "I think the DARE program was a positive program for the students to be involved in," said sixth grade teacher Mr. Earles.

One of the events students participated in was DARE Dollars. Students received special dollars for good behavior and other types of positive actions in class. At the end of the program students were able to spend their "dollars" on a variety of items.

## Carnival scheduled for April 12th

by Justin House

The carnival for the Chadwick Elementary and High School this year will be held on April 12. The carnival will take place in the new multi-purpose building and in the main school building. A chili supper will begin at 6:00 p.m. and will be followed by games at 7 p.m. Crowning ceremonies will take place at 9 p.m. Afterwards there will be an auction and a pie supper. All proceeds will go to the Chadwick School. The carnival is sponsored by the Chadwick PTA.

# Student Council

by Misty Lewis

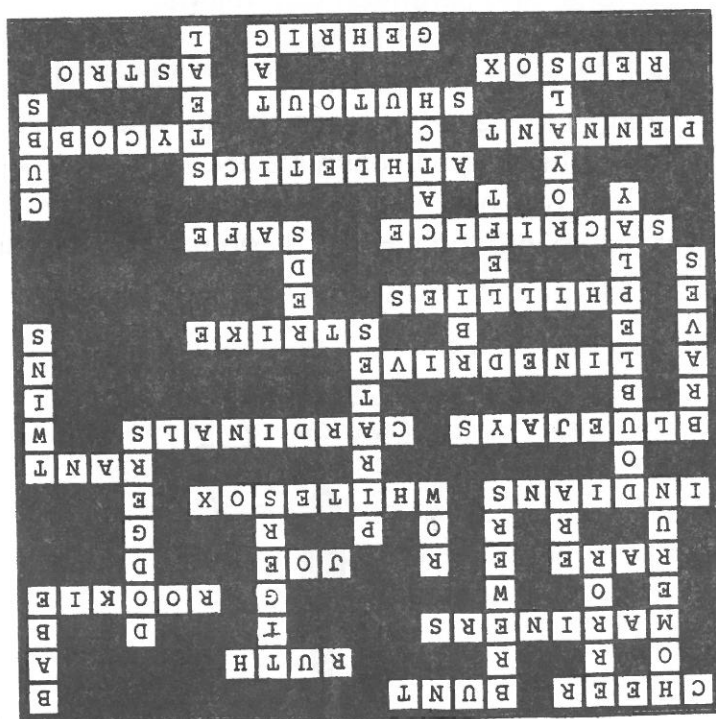

According to Mr. Beasley student council has not been as active this year as he had hoped. Student council has raised some money but they are not quite sure how to use it.

One idea that the money might go towards is a sitting area by the art room in the grassy area. This would include picnic tables to sit at during lunch. There are also plans in the future for moving the senior portraits to a more visible place.

"I feel the student council has not been as active this year due to the new block schedule and due to all of the other clubs that many of them are participating in," said Mr. Beasley.

Student council was in charge of Homecoming and Spirit Week. The president of student council is Tyler Walker, the vice-president is Robbie Guerin, the treasurer is Brett Stevens, and the secretary is Rintha Goin.

"I wish we could be more politically involved. I think part of student council should be letting the administration know what the students think," Tyler said.

# Thespians attend drama workshop

by Jesse Maggard

On February 15, 1995, Mrs. Lawerence's first semester classes were invited to attend workshops at the Croger Theatre in Springfield. Out of her first semester classes six people attended. They were: Tessa Nalley, Tiffany Nalley, Jessica Schwartz, Cassie Whight, Beth Whight, and Mrs. Lawerence, the Music director.

The students left school at noon and got home at about 10:30 p.m.. They ate dinner at Mazzio's after attending the play. The play was called Pippen.

Overall, the students enjoyed the play. "I liked the comedy. It was very funny," said Beth Whight.

# PTA News

by Luin Haden

Chadwick School is getting help on supplies this year and they don't have to write up a grant for it. That's right no grants, PTA (Parent, Teacher Association) is helping out by purchasing equipment for teachers and for the elementary playground.

"Approximately \$4,000 dollars have been spent this year on lists that teachers have submitted and for the elementary playground," said Mrs. Harris, the PTA secretary.

Many fundraisers are planned for the rest of the year. A faculty basketball game versus the seniors will be March 15. There will be another basketball game March 22, the teams that will be playing are a town team versus a team that Mr. Blaue, the English teacher will submit. There will also be a volleyball tournament March 23.

There are fifteen people that come to the meetings but there are 30+ members that have memberships and paid their dues.

"PTA is getting bigger then it has been in the past" said Mrs. Harris. Officers in PTA are: Janet Boone-president, Donna Walker-vice-president, Avaline Harris-secretary and treasurer

Many of the fundraisers go to help with putting on the Carnival and the Athletic Banquet each year. PTA is also trying to get an assembly for May.

"We are looking forward to Carnival and would appreciate any help, because we need it!" remarked Mrs. Harris.

# National Honor Society

by Tiffany Peirce

The Cardinal Pride Chapter of the National Honor Society at Chadwick High School recently selected new members. Students involved in the NHS participate in leadership and service activities in the school and community.

This year, the chapter chose to mentor elementary and junior high students in the school whose teachers thought they could benefit from a little extra help. The new NHS members are included.

"The mentoring seems to be going really well, and the kids seem to enjoy it," commented Mrs. Gaddy, NHS faculty advisor.

To be selected for NHS students needed to have at least a 3.0 grade point average, fill out an application, and also be selected by a panel of faculty who teach the core classes at Chadwick High School.

New members chosen for NHS this year include; Danyel Porter, Jesse Maggard, Brett Stevens, and Jeremiah Cummings.

These new members join current members; Amber Townsley, Tiffany Peirce, Rintha Goin, Robby Guerin, Justin House, Tyler Walker, Beth Whight, and Tessa Nalley.

The new members will formally be inducted into the NHS in a ceremony later this spring.

# Computer Lab Found Academic team becomes active

by Jeremy Gilbert

Chadwick High School has a new computer lab! Well, new in the sense that the old storage room between the Business room and the Counselor's office has been cleaned out (by some industrious eighth graders) and painted (by Mr. Shifflet's computer applications class) and now holds four IBM ps/2 computers.

"We only have four machines in there right now," said Mr. Shifflet, "but hopefully we can fill it up soon." He said that as many as eight to ten computers will be housed in the room.

Mr. Shifflet said that the school needed a designated room for open computer use. The room may be used for any legitimate computer need.

"Now," he said, "If a student needs to complete a paper for any class, they have the opportunity to do so without worrying about interfering with a class in progress."

Mr. Shifflet is also in the process of writing a grant that may be used to purchase more new computer equipment.

## Chadwick juniors host prom

by Rintha Goin

It is already time for prom. The Junior/Senior Prom will be held April 20 at the Garden Terrace in Kimberling City. Pictures will begin at 6 p.m. and the meal will be served at 7 p.m.

The junior class has been sponsoring activities most of the year trying to earn money to host prom. Some of the fundraisers include; a basketball tournament, selling candy at lunch and ball games, and bake sales.

"We will accept all donations gladly," said junior class president Tyler Walker.

by Tyler Walker

This year the Chadwick High Academic Bowl Team has been a lot more active than in previous years. "In the past, we only went to the a conference tournament," said academic team member Jeremiah Cummings. "but this year we've already been to several competitions."

Sponser Steve Long has been very active in arranging academic competition for the team. The team went to a competition last November, and competed in another in Lebanon in February, and attended a pre-district competition at Bradleyville.

The team will compete in conference and district in April. This year for the first time Chadwick will be hosting the conference competition. They will host teams such as Bradleyville, Clever, Fair Play, Norwood, Dadeville, Lutie, Everton, and Bakersfield.

This year's team members are Jim Fisher, Brian Moesner, Tyler Walker, Eric Anderson, Tessa Nalley, Jeremiah Cummings, and Beth Whight. The Junior High team members are Leslie Armbruster, Cassie Harris, Dusty Guerin, Cole Ewing, Doug Carrol, and Dale Fisher.

"I think that as the year has progressed we've gotten much more competitive," said Mr. Long. "I think going to more tournament competition has been very beneficial to the team."

On March 8th and 9th the Junior Class held a town team tournament as a fund-raiser. The tournament raised about \$700 for prom. Each of the six teams paid \$125 to play. The Junior Class charged no admission and the concessions went towards paying the refs.

"We had a big turnout," said Robby Guerin, "we made a lot of progress towards our prom payment."

Teams included mostly Chadwick area teams and a team from the Bradleyville area. For the most part games were close. The winners were awarded a Junior Class Tournament Champions T-shirt. The winning team included Chadwick alumni Jesse Shepherd and Jason Gilbert, as well as, Chadwick students Justin House, Tyler Walker, Juan Villarreal, Chad Sallee, Justin Gilbert, and Ashley Gilbert.

"I was just playing for fun," said participant Juan Villarreal. The Juniors may have another tournament later in the year if they still need more money.

# Chadwick ends season at 20-5

by Danyel Porter

The 1995-96 boys basketball season has come to an end.

The Cardinals went 20-5 this season and tied for the conference championship along with Norwood and Bakersfield.

The J.V. team went undefeated at 15-0 and also won the MTC conference championship. Coach Jester said the varsity's team goals for this season were: to be state ranked, win 20 games, win conference, and win districts. The Cardinals accomplished two out four of these goals.

The Cardinals lost in semi-final action of Districts to Norwood. Districts were held at Fordland this season.

Coach Jester made a farewell to the senior basketball players. It states as follows:

To the four seniors, Chris Anderson, Jeremiah Cummings, Brett Stevens and Joey Wiles. "Our seniors had a very good year. They all contributed to our success. I felt that all four of them were committed to the team and worked very hard during the year. I look for all of them to be successful in whatever they choose to do with their future after graduation in May."

# Lady Cardinals finish season at 12-13

by Shana Eads

Last week the Lady Cardinals ended their basketball season with a loss in the first round of District 6 Competition at Fordland.

In November Chadwick was picked to finish sixth out of the seven teams in the Mark Twain Conference. They closed their season with a 12-13 record.

"It was really nice to do well in the conference and to win almost twice as many games as most people thought we would," said first year coach Allan Blaue.

Freshman LeAnna Jones led the Lady Cardinals in scoring, averaging 14 points a game, and senior Daphne Walker was second in scoring, averaging 11 points a game. Sophomore Amanda Maggard led the team in rebounding, averaging 6 boards a game, and junior Rintia Goin helped by adding 4 rebounds a game. Other team members include junior Tiffany Peirce, and freshmen Wendy Villarreal, Jessica Schwartz, and Tiffany Nalley.

Highlights from this season include winning third place at the Lutie Tournament, and being ranked as one of the top fifteen defensive teams in the Southwest Missouri area.

**Junior Tiffany Peirce looks for the ball in a Lady Cardinals game earlier this season. Chadwick finished tied for second place in the Mark Twain Conference standings this year. The Lady Cardinals lost conference games to Hurley and Norwood this season.**

# Chaq Attack

by Tyler Walker

When you think of overpowering slam dunks who comes to mind? Shaquille O'Neal. Daryl Dawkins. Chad Sallee?

At Chadwick you can't overlook Chad Sallee, the 6'4" Junior who has thrown it down three times this season. The first of his dunks was a breakaway against Bakersfield's JV. The second was in the MTC Tournament, where he put it down in traffic at the end of a game.

Then with 16 seconds left in the half of this year's homecoming game against Bradleyville Chad brought the crowd to their feet when he "dislocated the rim". School officials replaced the goal at the half and the game was able to continue. "It really demoralizes our opponents," said Coach Jester. Chad said, "I just play ball, I'm not a role model."
