Girls Get Victory At Hurley Tourney

By: Debbie Vorse

So far this year our varsity girls basketball team has got off to a good start. Currently this season they are undefeated with a record of six and zero.

This last week the girls had to face their first challenge, the Hurley Tournament. They went in and played against Greenwood Junior Varsity on Tuesday. Then they went back on Thursday to play against Hurley. Since they won both of these games they went back on Friday to play for the championship against Greenwood Varsity. At the end of the game the final score was 54-46, the Lady Cardinals had won the Hurley Tournament for the first time.

After the tournament two girls were given special recognition. Ashley Pierce was recognized for the All Tournament Team, and Lacey Herd was recognized as the Most Valuable Player of the tournament.

"The girls played with alot of hustle and alot of heart," says Coach DeAtley. The girls received a first place trophy in honor of their teamwork and dedication. Congratulations from the yearbook staff.

Chadwick Boys take '3rd Place in the Verona Tournament!

By: Lacey Ruble

The Chadwick varsity boys have had a good start this year. The first challenge of the season was the Verona Tournament. The first night they went with high hopes of winning, and that's exactly what they did. They played against Exeter and the final score was 57-30. We went back again to play Hurley, we played a tough game but we suffered our first loss. That games score was 74-39. As upsetting as that may seem, the loss didn't kill the boys' spirits. We went to the last game hoping to win and take home the third place plaque, and that's what we did. We beat Everton 71-59.

Players' scores for games are as follows:

Exeter-

1pt. Sr. James Maggard
2pts. Jr. Dusty Guerin
3pts. Sr. Jody Hull
6pts. Jr. Lee Youngmon
9pts. Jr. Jerry Pellham
13pts. Sr. Cole Ewing
23pts. Jr. Jerry Powell
*Lee Youngmon had 8 rebounds
*David Procell had 7 assists

Hurley-

4pts. Sr. David Procell
6pts. Jr. Jerry Pellham
6pts. Jr. Tim Procell
6pts. Jr. Dusty Guerin
8pts. Jr. Cole Ewing
9pts. Jr. Jerry Powell

Everton-

2pts. Soph. Chris Thomas
2pts. Jr. Lee Youngmon
8pts. Jr. Jerry Pellham
9pts. Sr. Dusty Guerin
9pts. Sr. David Procell
10pts. Sr. Cole Ewing
15pts. Jr. Tim Procell
16pts. Jr. Jerry Powell

Everyone would like to wish the cardinals good luck in the 1999-2000 basketball season.

Volleyball Team Wins Conference Title

By: Candra Jones

The Chadwick Lady Cardinals Volleyball Team suffered a loss to Clever in second round district play on October 26th. The loss brought their season to a close with a 13-10 record.

The Cardinals had a very successful season this year compared to the previous ones. Even though they had a very slow start, they came out of it with a nine game winning streak. A few highlights of the season were finishing first in the Mark Twain Conference and winning first place in the Mark Twain Conference Tournament which was held at Bradleyville.

This years team consisted of two seniors: Candra Jones and Missy Smith, three juniors: Jennifer Adams, Lori Johnson and Cassie Walker, and two sophomores: Heather Ewing and Alysia Sisco. The girls were coached by Mrs. Arleigh Long.

"I feel like we had a great year. I was pleased with the way the players performed. Winning the conference tournament and banner were two of the teams goals. I always knew I had a great team, but the biggest challenge of the season was convincing the players they were a great team.", said Coach Arleigh Long.

"I feel that we improved a lot since last year and we had a lot of fun," said senior Missy Smith.

Elementary Student Council Sponsors Turkey Contest

By: Debbie Vorse

To celebrate the Thanksgiving holiday this year the elementary student council sponsored a turkey contest. It was a family project for the kids. They were each sent home with a turkey and their job was to dress it up using anything around the house.

Kids used things to decorate from feathers to sequins to cereal and candy. The turkeys were judged by a group of impartial people from high school.

There were three winners chosen and they each received a ribbon.

First place went to Megan Daugherty in fifth grade, Second place went to Bobbie Clifton in fifth grade, and Third place went to Heath Braden in first grade. Congratulations to the winners.

FFA goes to American Royal

By Missy Smith

On November 3, the Chadwick FFA went to the American Royal, which is held in Kansas City. Many of the students had to get up very early to catch the bus at 5:00 a.m. Most of the students brought their pillows and blanket and went back to sleep. The bus arrived in Kansas City around 9:30 a.m. Students then went to a Leadership Conference where they all received a free T-shirt. At 11:30 a.m. they went to a rodeo and got something for lunch. Shortly after the rodeo there was a concert until 3:00 p.m. Then for 30 minutes after the show they went around and looked at the different exhibits. One brave FFA member rode a mechanical bull. By 4:00 p.m. all the FFA members were on the school bus heading back toward Chadwick. The students arrived back around 9:30 p.m.

When asked what some of the members enjoyed they replied:

"I liked the cowboys and the rodeo," said, Lori Johnson.

Jeremy Nickoles said, "It was very educational and many things there kept me interested."

Abby Payne said, "I really enjoyed the concert along with the rodeo and I hope we go back next year."

Chadwick Hosts Book Fair

By: Debbie Vorse

This week Chadwick decided to host their book fair in honor of National Book Week. In honor of National Book Week activities were planned for each day. The activities were as follows: Monday: Sock it to Reading, Tuesday: Slip into Reading, Wednesday: I'm RED-Y for Reading, Thursday: Reading is Beary Nice.

On Monday through Wednesday students in elementary through high school wore their mis-matched or decorated socks, their comfy slippers, our school colors and on Thursday students got to bring their favorite teddy bear.

Students in Elementary honored National Book Week also by having Dear time which is 15 to 20 minutes of silent reading every day. Dear stands for "Drop Everything And Read."

The Book Fair raised \$362.95 which was used to purchase books for our school library. The library is also planning another book fair for April 3, 4, and 5 of 2000.

Caroling Around

By: Debbie Vorse

On December 8, the choir class and the music appreciation class went to Ozark to go Christmas caroling. We only had time to visit three places which were Century Pines, River View Manor, and Ozark Nursing and Care Center. We sang many different Christmas songs and even some little old people sang with us. At the last nursing home we had extra time so we walked around and visited with the people. After we left we went to Pizza Hut for lunch and then to Penguin's for ice cream. Then it was back to school.

Are you Scared ?

By Christina Stone

When you drive down the road are
you scared?

Do you get in too much of a hurry
to even care?

Do you worry about the ticket you
just might get?

Or the car that you could one day
hit?

Is it your life you would rather
take or the life of another in one
mistake?

Are you scared as you're driving
along or are you only worried about
the words to that song?

In an instant you can take a life all
because you're in a hurry for a
date that night.

Are you scared there may be a
drunk driver on the road who will
take your life and not even know?

Or maybe one night you'll fall
asleep at the wheel and wake up
from what seems like a dream but
is very real.

You never know what will happen so
live for today and not in sorrow.

It may be your life or the life of
another taken this very day, just
remember there's no need to drive
so fast.

Who cares about that date you'll
have the rest of your life.

And most of all don't drink and
drive.

BE SURE TO WISH EVERYONE A
HAPPY BIRTHDAY!!!!

New Assistant Coach!

By: Lacey Ruble

You might see another new face here at Chadwick, and if you do, it will probably be the face of the new boys' assistant basketball coach Justin Miller.

Coach Miller helps a lot here at Chadwick. He goes to all of the basketball practices and he also attends all of the games. He really works a lot with the junior varsity and Coach Watts thinks that this is a very good experience for Coach Miller.

He was raised in Rogersville, Missouri where he graduated and currently presides. He is also a second year student at Ozarks Technical Community College.

We are very pleased to have Coach Miller here at Chadwick and the publications staff would like to wish him luck for the 1999-2000 basketball season.
