I never once doubted this day would come, not ever. You have always been reliable, dependable, and honest. I have so looked forward to this year! You are the first girl in my immediate family to graduate from high school properly. This fact makes me extra proud of you. I am so confident in you're future also. The lady Cardinals did not have quite as good a season as they did last year but never the less they had a winning record of 19-7. The girls won the Hurley tournament, took fourth in the Sparta tournament, and finished second in the Norwood tournament. The team had high hopes of winning a District Championship this year. They entered the District as a second seed behind the Sparta Trojans. They won their first round of the District Competition against the Niangua Cardinals, which were a sixth seed. But their luck ran out when they played against the Fordland Eagles, who were a 4th seed and lost by 17 points.

Happy Retirement to Mrs. Evaline Harris 1968 - 2000

Mrs. Evaline Harris has been with the Chadwick School district since 1968. She has been a valuable part our school system and has not gone unnoticed. Mrs. Harris has been involved in many activities. Some of them are as follows: Missouri Teacher Association for 31 years; Secretary for the Chadwick Teachers Association; Cheerleading sponsor for six years; held every office in Parents As Teachers Organization; Special Education Coordinator for 15 years;

and has sponsored countless other school and community projects.

Mrs. Harris says, "After 31 years I feel like I'm part of the building. But I realize it won't fall down when I leave because it has a good foundation (Chadwick students)."

Happy Retirement to Mrs. Harris from everyone in the Chadwick Community and the Chadwick School.

The above pictures were taken at Mrs. Harris's retirement party. Her retirement party was held at the "Old Country Buffet," at Springfield, Missouri on May 1, 2000

The cheerleaders had quite a productive season this year. They started practicing early last summer and they made some amazing improvements.

All of the cheerleaders are seventh graders, and all were new to cheerleading. That makes it harder on the squad when you have to start out fresh.. They feel confident though that next year will be even better because they will have more experience and a bigger squad.
