We are very proud of this year's Girls Basketball team. They managed to accomplish a great season along with a great record of 21-7. They also managed to set a record this year. Chadwick girls have never managed to make it to a District Championship game. This year they did more than make it there, they took first. Junior Ashley Peirce and Senior Lacey Herd hit their 1000th point in this year's season. Abby Payne also set a record of hitting five-three pointers in a game.

The Boys Basketball team had a successful season this year. They managed to accomplish a record of 17-12. They also managed to win their district and their regionals. But things didn't go as planned when it came to sectionals. They lost to Stoutland, the score was 39-58. We are very proud of the boys for what they did accomplish. We will also miss the five starting seniors as well. Congratulations boys and seniors for a successful year.

The Baseball Boys had a tough season. Last year they did not have a team and it affected their performance this year.

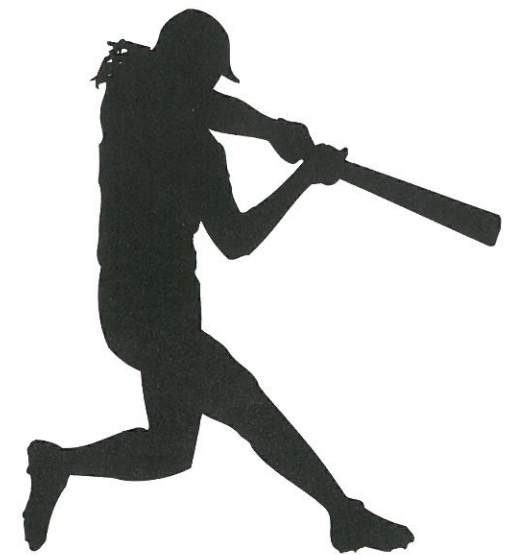

Their record this year was 0-5. The boys played their best and the most important thing is that they had fun.

# Girls Softball Team

The Softball girls also had a pretty tough season. They are a young and inexperienced team.

The girls gave it their best shot and had fun. They ended the season with the record of 0-4.
