Sometimes you get discouraged because I am so small, and always leave my fingerprints on furniture and walls.

But everyday I am growing, - I'll be grown up someday, and all these tiny handprints will simply fade away.

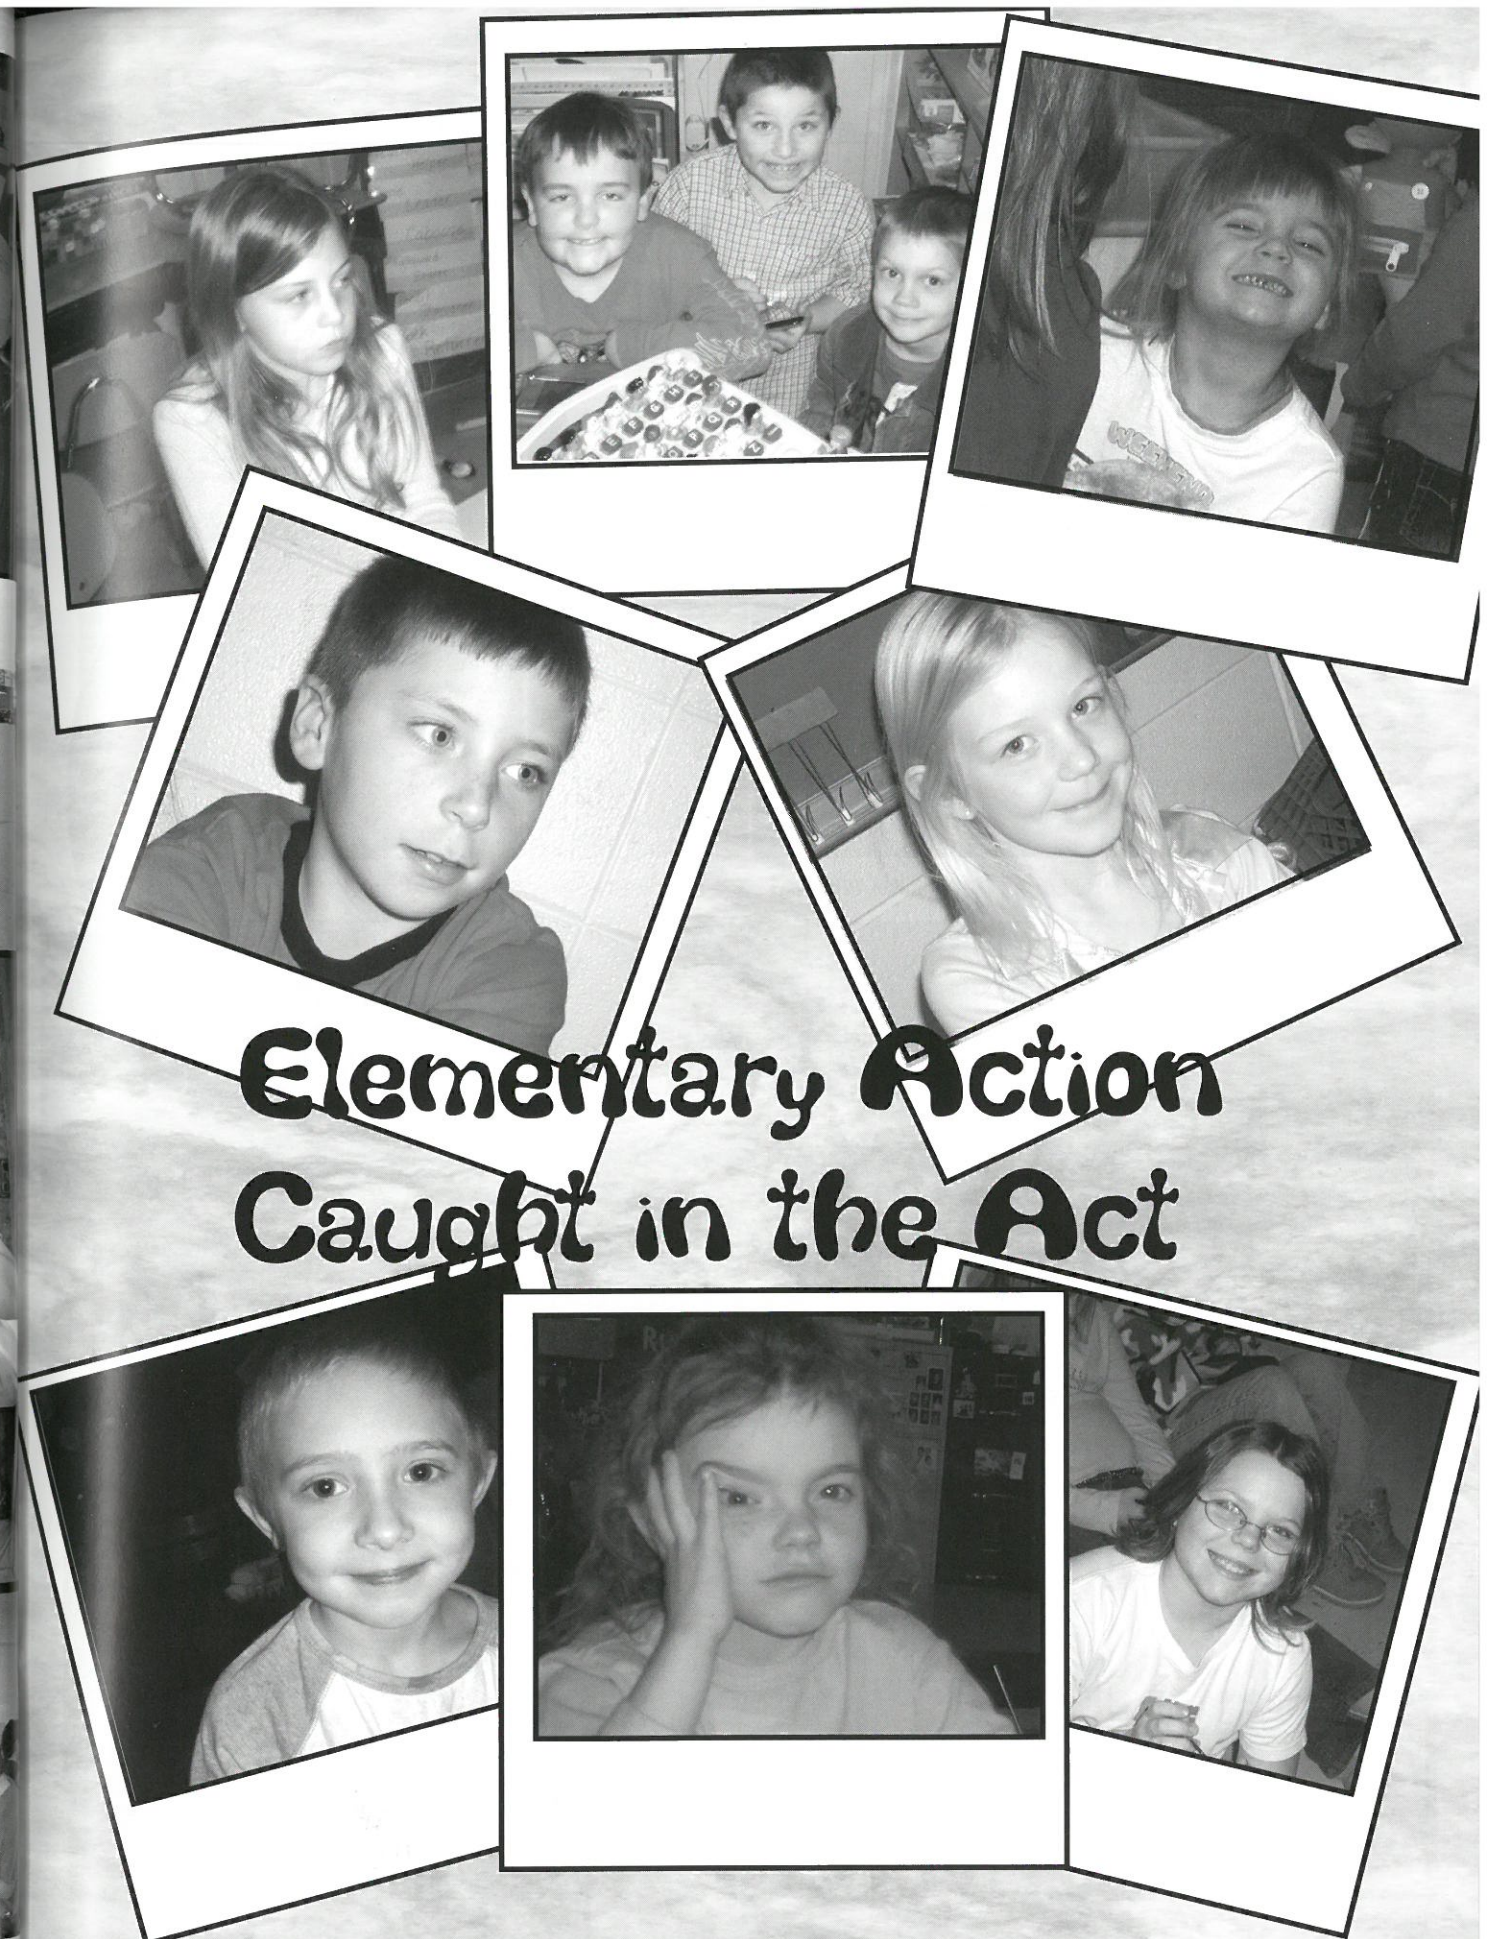

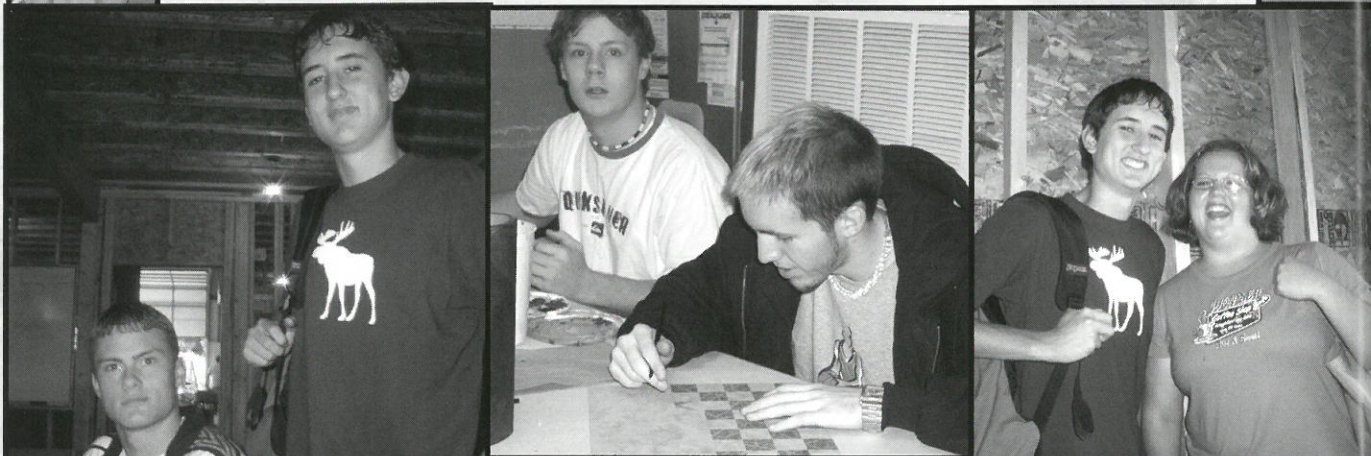

So here's a final handprint just so you can recall, exactly how my fingers looked when I was very small.

I love you!

The Jr. High Girls ended the season 1-11, including a victory over Verona, in the Hurley Tournament. Coach Terry Jester said, "We didn't have as many wins as we wanted to, but we still had a good year. We only had five girls and we never had to forfeit a game, that speaks for their dedication and loyalty to the team."

The five players include Eighth graders: Angel Sisco and Shawnee Lewis; and Seventh graders Katelynn Hale, Mindi Rains, and Danielle Simpson. The Girls also participated in the two tournaments: the Hurley Tournament, where they defeated Verona; and the Norwood Tournament, where they played: Mansfield, Plato, and Norwood. Coach Jester is really proud of the girls for all of the effort and discipline the girls have put forth this season. Overall both teams did a fine job throughout their seasons.

What did you learned this year, to help you have a good season?

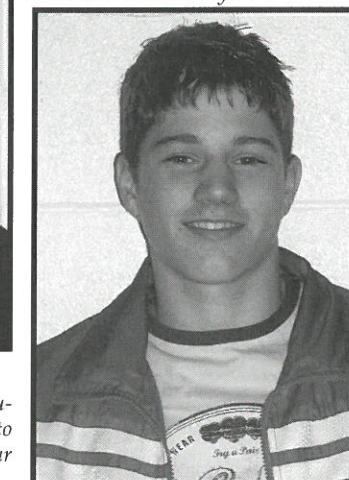

Shawnee Lewis
"I learned that it is fun whether you win or lose. You got to keep playing your best no matter what."

Angel Sisco
"I learned that as a team we need to stick together and also have fun while playing the game cause it can help you in the future."

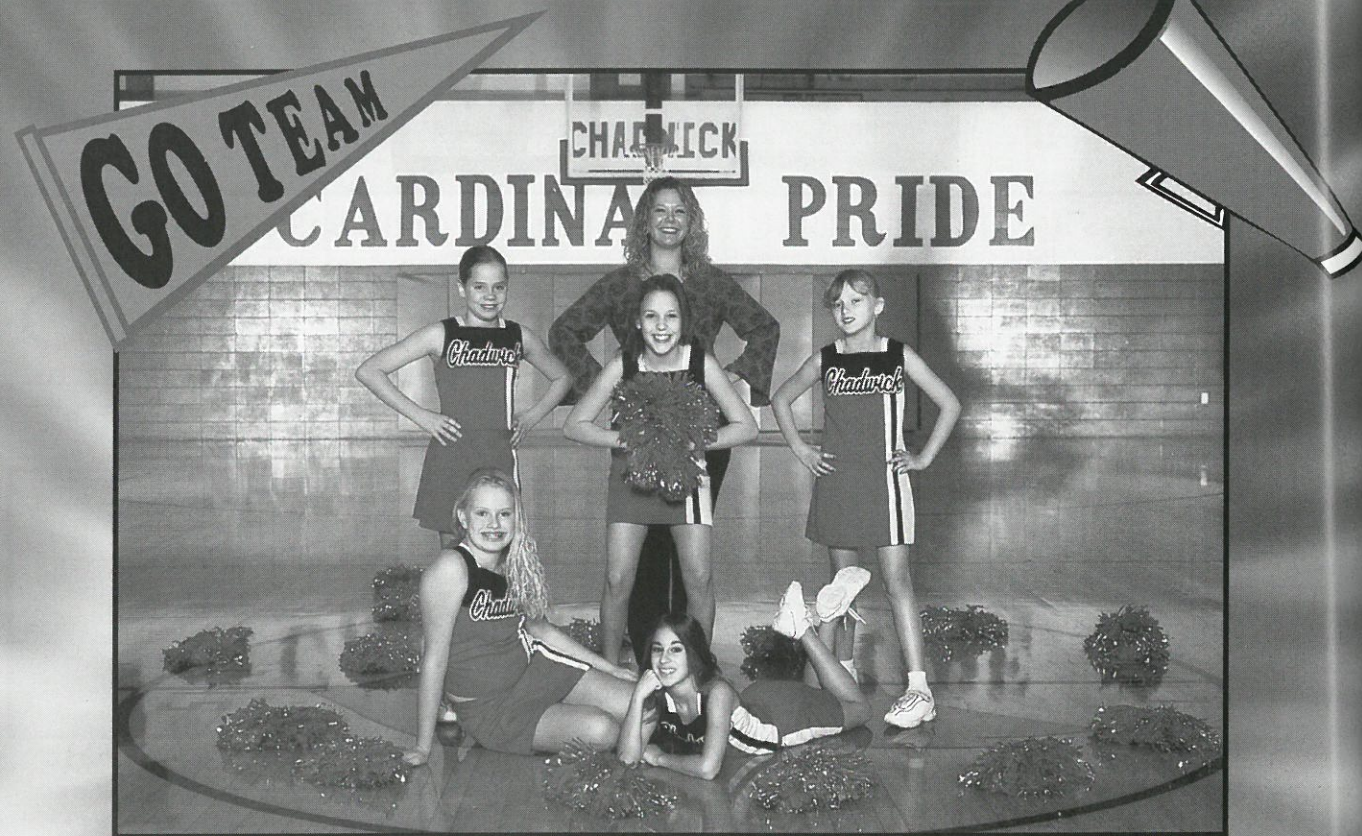

Patrick Holt
"I learned that teamwork is the key. Also you can pass the ball too much. We had a good season and a lot of fun. I can't wait until next year."

Nathan Hale
"I learned that there are several "crucial" points to basketball according to Jester. We had a good year but our competition was weak."
