Elizabeth, we're so proud of you. It seems like just yesterday you started kindergarten and now it's time for you to graduate. We wish you every happiness. We know that you'll succeed in whatever you do. We love you and we'll always be here!
Love, Mom, Dad, and Katy

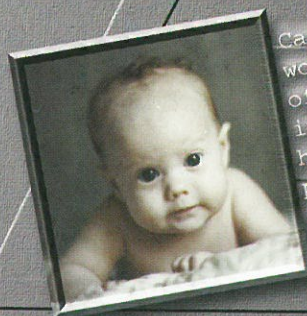

Tim, we're very proud of your accomplishments and hard work. We're proud to have such a good, hardworking young man as a son. The Lord is proud of you for living for Him and for being a good example. Congratulations,
Mom & Dad

Congratulations, Kiersten, on 12 years of hard work! I'm so proud of your determination, no matter how difficult the obstacles. I am sure you will go far.
Love, Mom

Brittney, I still remember you curled up asleep on the bus before you started school and now you're graduating! We're so thankful to have been blessed with a caring, smart, beautiful daughter. Remember we will support you in everything you do!
Love, Mom & Dad

Casey: "To see a world in a grain of sand and a heaven in a wildflower, to hold infinity in the palm of your hand and eternity in an hour"
-William Blake

Amos

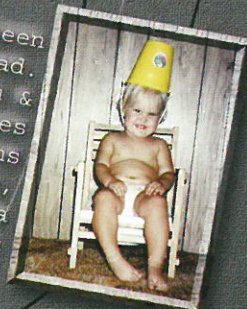

Heather, We've watched you grow from our little girl into a beautiful young lady with a daughter of your own. May she bring as much joy to your life as you have to ours.
Love always,
Mom, Dad, Chris & Jaden

Kathleen, You were so beautiful when you were born; it's hard to believe you're a woman now. You're intelligent, strong, and unique. You never backed down to your brothers, don't back down to anyone else.
Your Dad and Mom

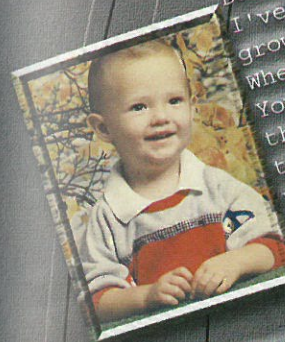

Dear Nicole, I know it's been tough, but you've hung in there and made us proud. You've been a great daughter and I am looking forward to seeing you start another chapter in your life. Always keep God in your heart.
Love Always, Mom

Brooke, It's been a long bumpy road. We're proud of you & hope all your wishes come true. Congratulations & good luck! Love,
Mom, Dad, Bailey, & Mikayla
and Dad, Mom, Bo & Haden

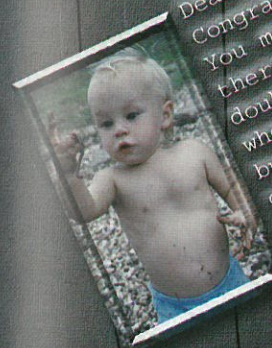

Dylan, This year has been a great one! Your accomplishments have been wonderful. We can't wait to see what your future holds. We are all very proud of you and wish you much happiness. I wish all parents could experience the joy you've given us. Reach for the stars and shine. Love, Mom & Dad

Dear Shannon, I've watched you grow into a man. Where did the years go? You've been blessed with the ability to shine in the world. We are very proud of you. Congratulations!
We love you very much,
Mom & Dad

Dear Felisha, We are so proud of you! Daddy's little girl and Grand-dad's boss has grown up. We pray that God will lead you through each step you take. God bless you.
We love you,
Dad & Mom

Dear Tyler, Congratulations! You made it! I must say there were times I had my doubts--like in kindergarten when I'd put you on the bus and you would get off when it came back up the road. But you overcame that and a lot more. I'm very proud of you.
We all love you,
Mom, Christy & Family

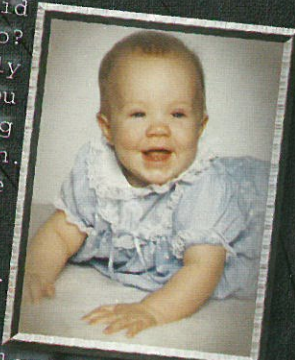

Virginia, you're not a little girl anymore. You're a very special young woman. I loved watching you grow up, but no matter how old you get you will always be my little Ginnie Monkey. May you be blessed in everything you do.
Love, Mom

Clay, It seems like yesterday you and Patrick were 2 years old wrestling on the floor. You've brought me great joy these last 18 years & I'm sure you will continue to bring me joy in the future. Never lose sight of your dreams and never give up on them. With God's help I know you'll do great. I love you, Dad

Deacoda, The years have been like a rollercoaster: some good times and some not so good. But deep down we knew you could do it! You've really made us proud & we wish you the best.
Love, Mom & Dad

Karen, Where did the years go? Seems like only yesterday you were starting kindergarten. Now you're ready to go out and follow your dreams. Keep God in your life and, remember, we love you and are always there for you. Get-R-Done!
Love always Mom, Dad, & Kenny

Katie, I can remember you begging to start school. When the time came, I walked you into your classroom and you said goodbye. I left, but I peeked through the window. Some of the other kids were crying, but not you. Now you're grown up, and I'm watching you graduate. We're so proud of you.
Love, Mom and family
