## FFA Week!

The Chadwick FFA celebrated FFA Week February 20-23 by dressing up, holding a petting zoo, hosting a fellowship breakfast, and a trip to Branson.

On Tuesday, the petting zoo was toured by elementary classes and featured dogs, goats, rabbits, chickens, and one lonely turkey.

On Wednesday, FFA members got up early to cook a country breakfast for faculty, staff, and selected community members to thank them for their continued support.

That evening, FFA members took a bus to Branson to play

miniature golf and eat at Fuddruckers.

On Friday, FFA members participated in muddy truck day, with sophomore Aaron Phillips winning the contest.

## Yearbook Spirit Day

On January 11, students participated in Yearbook Spirit Day. Each class dressed up according to the theme that they choose earlier in the year for their class portrait page. Yearbook Editor Ashley Stevens said, "It's helped get the students, all the way from preschool through high school, to feel more involved in the process of making the yearbook."

# An Evening in Paris

On February 2, the annual homecoming celebration started with the junior varsity beating Galena. The varsity team won 61-57 with Senior Colten Jones contributing 25 points and sophomore Patrick Holt adding 6 in his first game since his knee injury.

Between the games, the crowd was introduced to the homecoming court. The candidates for homecoming princess included freshman Mindi Rains, sophomore Shala Randolph, and junior Virginia Roller. The candidates for homecoming queen were seniors Misty Bettis, Lindsey Heavin, and Shylah Rogers. Last year's homecoming queen, senior Amanda Workman, crowned Shala Homecoming Princess and Shylah Homecoming Queen.

After the games, the cheerleaders hosted a dance with the theme "An Evening in Paris." The multipurpose room had its own Eiffel Tower, a water feature, and a variety of exotic foods.

Misty said, "I had a really great time; it was the next best thing to actually being in Paris!"

## Library Grants

The Chadwick School Library was awarded a \$700 Books for Children Grant from the Libri Foundation, which was established in 1989 for the sole purpose of helping rural libraries acquire new, quality, hardcover children's books.

In addition, White River Valley Electric Company awarded a \$500 matching grant through its Operation Round Up Program to supplement curriculum-related materials.

Funds will be used to purchase a Spanish language collection and 7-12 fiction books.

### Did You Know?

The Chadwick Flyer was the name of the historical locomotive that traveled daily delivering passengers and freight between Chadwick and Springfield. The railroad came to Chadwick in 1883, and the busy town that sprang up as a result has been described as being as "tough and lawless as the most noted western boom towns."
