

Care to Learn Food Drive

September 14-25

We are having a food drive that will benefit students in our community! The food items will be used for our weekend backpack program. Our goal for each class is to bring in at least 40 of each item on their list. If your class meets their goal, your class will earn an ice-cream party. Please review the following items listed for each class. The items do not have to be name brand. We appreciate in advance your help in supporting our community! If you have any questions, please contact Mrs. Thompson or Mrs. Gardner at 634-3588.
