

First day of school: Monday, August 23th

Chadwick Public Schools has created a 2021-2022 comprehensive plan to provide a safe, and secure environment for teaching and learning during the COVID-19 Pandemic. The information below explains our current guidelines for returning to school. Plans are subject to change as circumstances arise, and this guide will be updated with new information as it becomes available. Decisions will be made in coordination with local and state guidelines, and with input from community stakeholders.

▶ Learning Options

- Option 1: Traditional in class learning 5 days per week with safety measures in place
- Option 2: Virtual learning (online). **THERE WILL BE NO PACKET LEARNING OPTION** (Special services accommodations as necessary or as mandated by an Individualized Education Plan)

Parents will be responsible for internet services for virtual learning. Lack of consistent internet services will not be a good reason for not completing work. Students working virtually from home will be held to the same standards as seated students at school. Failure to complete work will reflect on student grades.

PACKET LEARNING WILL ONLY BE OFFERED FOR SEATED STUDENTS DURING SCHOOL CLOSURE, QUARANTINE OR EXTENDED ABSENCE DURING ILLNESS.

Any student choosing to work from home must notify the school by August 13th.

Health Services/PPE

- Parents are required to take temperatures and do a health assessment on their children before sending them to school. If your child has a fever of 100 degrees or higher, or any other symptoms, **Please keep them home.**
- School Counselor will assist in the social, emotional and mental needs of students.
- Staff will be performing wellness assessments on themselves, as well.
- **Use of personal masks will be allowed and strongly encouraged for unvaccinated students and adults.**
- Masks may be required in some situations especially for Middle/HS Students.
- **If 10% or greater of the school population becomes COVID positive, masking will be mandatory until the number of positive cases fall below 10%.**
- Social distancing will be utilized to the extent possible and using student cohorts.

Transportation

- Parents/Guardians will be encouraged to bring students to school.
- Seating assignments will be based on loading order and family.
- Hand sanitizer will be available as students board the bus.
- Masks will be required on buses per Federal Mandate.

▶ Arrival & Dismissal

- Parents/Guardians will not be allowed in the building before school.
- Parents/Guardians must remain in their vehicles when dropping off and picking up students.

▶ Breakfast & Lunch

- K-4 students who are not eating breakfast at school will go directly to their classroom. As students finish eating they will leave the cafeteria and go to their classroom.
- 5th-12th students who prefer a breakfast tray will eat in the cafeteria and then go to their designated area in the gym.
- Students will have assigned seating in the cafeteria for fewer exposures and easier contact tracing.
- Meals will be provided during COVID closures, handed out on-site and at designated pick-up sites.

▶ Extended Safety Measures

- Visitors will not be allowed in the building during the school day.
- Tissue and hand sanitizer dispensers will be available throughout the building and frequent hand washing will be encouraged.
- Attendance incentives will be waived.
- Students who become sick with 2 or more symptoms will be sent home.
- Personal water bottles will be encouraged.
- Appropriate disinfecting products will be used to clean frequently touched surfaces, along with increased cleaning and servicing our current ventilation system.
- COVID testing and vaccinations for students are scheduled by parents and caregivers. For staff, the district can assist with scheduling for offsite testing and vaccinations. There will be no onsite testing or vaccinations.
- Contact tracing by LEA will be consistent with CDC.

Plan Review and Clarity

- This plan will be reviewed and any updates will be Board approved at a minimum of every six months.
- This plan can be made available in other languages upon request.
- Please contact the superintendent's office for other language requests or if more clarity is required.

Plan Approval:

- Initial plan approval: Regular Monthly Board Meeting, June 14, 2021
- Update approval: Regular Monthly Board Meeting, August, 12, 2021

- **Chadwick Schools will coordinate with:**
- **Christian County Health Department**
- **Staff, community members, students and other stakeholders**
- **Missouri Department of Elementary & Secondary Education**
- **Centers for Disease Control and Prevention**
